**READ ENTIRE LABEL BEFORE USE.**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USE. KEEP CONTAINER UPRIGHT.**

[This product will kill Cockroaches, Houseflies, Confused Flour Beetles, Saw-Toothed Grain Beetles, Rice Weevils, Small Flying Moths, Fleas, Ticks, Pill Bugs, Crickets.]

1) DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valve), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Shut off fans and air conditioners. Call your utility or management company if you need assistance. Cover or remove exposed food, dishes, and food-handling equipment. Open cabinets and doors to area to be treated.

2) TO OPERATE VALVE: To lock valve in open position for automatic discharge, press the valve button all the way down, hooking the catch.

-or-

[2] Shake can well before using. Keep can upright. Point valve opening away from face and eyes when releasing. Lock the valve in open position by pressing the valve button all the way down, hooking the catch.

3) Then place fogger on stand or table in the center of the room with valve locked open, placing several layers of newspaper or pad under fogger.

-or-

[3] Place fogger on stand or table in the center of the room with valve locked open, placing several layers of newspaper or pad under fogger.

4) Leave the building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

-or-

[4] Leave building at once and keep it closed for 4 hours before re-entering. Open all doors and windows and let area air-out for 30 minutes.

To Kill Ticks and Fleas: Destroy pet's old bedding and replace. Use product as above. Treat dogs and cats with a registered tick and flea control product prior to re-entry.

## **PRECAUTIONARY STATEMENTS**

### **HAZARDS TO HUMANS AND DOMESTIC ANIMALS -or- PETS**

**CAUTION:** Harmful if swallowed, inhaled, or absorbed through the skin. Do not breathe vapors and avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and warm water after handling. For eyes, flush with plenty of water. Get medical attention if irritation persists. Avoid contamination of food or feedstuffs.

Do not use in commercial food/feed processing, preparation, serving, or storage areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds, and cover fish aquariums before spraying.

(back panel contd.)
