JUN 9 1998

NOTICE OF PESTICIDE:

☒ Registration

☐ Reregistration

Term of Issuance:

Conditional

Name of Pesticide Product:

Revacil®

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

MAREVA Z.A.C. de Saint Esteve
06640 Les Plans de Saint Jeannet
France

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA regulation number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. On the product label add the statement: "This product is registered as a swimming pool sanitizer, not as a disinfectant."

3. Revise the EPA Registration Number to read, "EPA Reg. No. 69461-1".

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NOTICE TO BUYER - LIMITED WARRANTY FROM MAREVA INC. - Mareva Inc.

("Mareva") warrants that this product conforms to the chemical description on the label and that it is reasonably fit for the purposes stated on the label when used in accordance with Mareva's directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Mareva, and you as buyer or user assume the risk of any such use. Mareva will replace the product or refund the purchase price at your option should this warranty be breached within one year of sale. THE DURATION OF ANY IMPLIED WARRANTIES UNDER APPLICABLE STATE LAWS SHALL LIKEWISE BE LIMITED TO A PERIOD OF ONE YEAR.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. IN NO EVENT SHALL MAREVA BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ON ANY THEORY WHATSOEVER, INCLUDING NEGLIGENCE, and no person is authorized to alter the terms of Mareva's warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

For warranty assistance, write Business Manager, REVACIL, Mareva Inc., Saint Jeannet Nice -FRANCE or contact your authorized dealer. This warranty gives you specific legal rights, and you may have other rights which vary from state to state. YOUR AUTHORIZED DEALER GIVES NO WARRANTY IN ADDITION TO MAREVA'S WARRANTY AND DISCLAIMS ALL OTHER WARRANTIES INCLUDING THOSE OF FITNESS OR MERCHANTABILITY.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner other than for which it was intended.

Treating the pool

Pools Previously Treated with Chlorinating Chemicals

Important - REVACIL is incompatible with chlorinating chemicals products. Consult your authorized Dealer of REVACIL for information on balancing your pool water.

Check with chlorine test kit for free and combined chlorine prior to the beginning of neutralization. To destroy chlorine, add STOP CHLORE chlorine neutralizer per label directions. Filter overnight. Check with chlorine test kit. If free chlorine is detected, repeat neutralizer treatment.

Freshly Filled and Dechlorinated Pools

Start up with REVACIL.

Note. If the pool water contains algae or is hazy, consult the problem-solving section of the "Pool Care Guide," available from your authorized Dealer of REVACIL.

- * Backwash or clean pool filter. Check pool pH; adjust to 7.0 - 7.8 if necessary.
- * Add REVACIL to give a content of 50 ppm (1/2 gallon product/10,000 gallons of pool water).
- * After 24 hours, check pH and REVACIL concentration with the test kit for REVACIL and adjust if necessary.

Normal Pool Routine

- * Every week, check REVACIL concentration and pH.
- * Maintain REVACIL concentration at about 50 ppm. If concentration falls 10ppm or more, add a top-up dose. The level should not be allowed to drop below 30 ppm. For example, to raise the REVACIL level 10ppm, add 1 pint per 10,000 gallons of water. Consult the booklet, "The Pool Care Guide for REVACIL," for calculation instructions.

NOTE: REVACIL AND CHLORINE ARE INCOMPATIBLE. Refer to the Pool Owner's Guide for REVACIL for information on how to deal with accidental chlorination.

Problem-Solving and Supplemental Pool Information

Do not use in freestanding spas/hot tubs. Do not use in

unpainted plaster pools previously exposed to metals which may cause staining.

REVACIL is not compatible with many detergents and some supplemental algicides (such as those based on copper). If algae development, cloudiness, or pool problems occur or additional information on water quality is desired, consult "The Pool Care Guide for REVACIL," available from your Authorized Dealer of REVACIL.

STORAGE AND DISPOSAL

Pesticide disposal

Keep container closed when not in use. Store in original container in an area inaccessible to children.

PROTECT FROM FREEZING

In case of a leak or spill, soak up with absorbent, such as sand, earth, or sawdust, and shovel into waste container. Remove waste to chemical waste area, and dispose of in accordance with local pollution regulations.

To dispose of excess product, security wrap original container in several layers of newspaper and discard in trash.

Container Disposal

To dispose of empty container, rinse thoroughly before discarding in trash.

Do not reuse empty container (bottle, can, bucket). Wrap (container) and put in trash.
