Subject: Label Notification; Per PR-Notice 98-10
PC RTU Herbicide
EPA Reg. No. 69526-12
Date Submitted: July 5, 2011
Proposed Alternate Brand Name: Clear Choice™

Dear Ms. Mann:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated July 5, 2011 for the product referenced above. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions regarding this letter, please contact Jasmine Branch at (703) 347-0351 or branch.jasmine@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathryn V. Montague".

NOTIFICATION
JUL 22 2011

Explanation: Use additional page(s) if necessary. (For Section I and Section II.)

Notification of Labeling Changes per PR Notice 98-10: Add Alternate Brand Name, Clear Choice; add trademark statement; make other minor changes to marketing language identified in cover letter.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

FORWARD ALL CORRESPONDENCE for this action to: Juli Mann, Steptoe & Johnson LLP, 1330 Connecticut Ave., NW, Washington, D.C. 20036.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Do not apply directly to water.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays, and oceans. Do not apply when windy. To prevent product run-off, do not over water the treated area(s) to the point of runoff or apply when raining or when rain is expected that day.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all label directions.

PRECAUTIONS AND RESTRICTIONS

- Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.
- Do not allow people or pets to enter the treated area until sprays have dried.
- Do not apply near lakes, streams, rivers or ponds.
- Avoid drift of spray mist onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants. Do not apply in windy conditions.
- Do not apply as a fine mist because of potential injury to desirable plants.

WHEN TO USE

- Apply when weeds are young and actively growing.
- Do not water within 24 hours after spraying.
- Spray when daytime temperatures are above 45° F and below 90° F.
- Do not apply when the lawn is under severe stress from drought, insect attack or high temperatures.
- Do not use more product than specified on the label.
- Newly seeded lawns may be treated after the third mowing.
- If the lawn is dry, water 24 hours before using this product.

WHERE TO USE

This product is used as a spot treatment to control broad leaf weeds on a variety of lawns*, in yards, vacant lots and other grassy areas.

Note: ***Bold, italicized text is information for the reviewer and not part of the label***
[Bracketed text is optional.] Text separated by “/” denotes and/or options.

HOW TO USE

- This product is ready-to-use. Do not mix or dilute.
- Shake well before use.
- Open spray nozzle.
- Adjust nozzle to provide desired spray pattern.
- Hold spray about 12 inches from weed.
- Aim at center of weed and spray to lightly cover. Do not overspray.
- Rotate nozzle to closed position.
- Weeds begin to die after 12 hours. It may take up to 4 weeks for a weed to completely die.
- If necessary, repeat application after 8 weeks.

STORAGE AND DISPOSAL

Do not contaminate other pesticides, fertilizers, water, food, or feed by storage or disposal.

Pesticide Storage: Keep out of reach of children and animals. Keep from freezing. Keep pesticide in original container. Do not put into food or drink containers. Store in a cool, dry place, in a locked storage area.

Pesticide and Container Disposal:

If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If recycling unavailable, place container in trash.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

It is impossible to eliminate all risks inherently associated with the use of this product. Injury to desirable plants, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Petro-Canada, the manufacturer, or seller. All such risks shall be assumed by the buyer. To the extent consistent with applicable law, neither Petro-Canada, the manufacturer nor seller shall be liable for consequential, special or indirect damages resulting from the use or handling of this product. Except as provided by applicable law or except as warranted by this label, Petro-Canada, the manufacturer or seller makes no warranties, guarantees, or representations of any kind, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to, merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Except as provided by applicable law, buyer's or user's exclusive remedy, and Petro-Canada's, the manufacturer's or seller's total liability, shall be for damages not exceeding the cost of the product.
