Unconditional

Name of Pesticide Product:

R-ST 10

NOTICE OF PESTICIDE:

Registration
 Reregistration

Name and Address of Registrant (include ZIP Code):

B2E ~~Inc~~ Corporation
500 Mamaroneck Ave.
Harrison, NY 10528

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act, as amended).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is registered in accordance with FIFRA section 3(c)(5) and is subject to the following conditions:

- Submit five (5) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

A stamped copy of the label is enclosed for your records.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Products formulated with this product must be registered by the EPA.

For formulation into end-use products intended for food processed or manufactured products, and food or feed containers or dispensers.

FORMULATING INSTRUCTIONS:

- 1) R-ST™ 10 is a light, low-density fine powder that is dusty. It is best to add directly to a mixer/blender directly. Avoid use in elevators and gravity chutes.
- 2) Shut off exhaust systems to reduce air turbulence during blending/mixing addition of R-ST™ 10.
- 3) Add R-ST™ 10 after the addition of liquid ingredients and blend until uniform.

STORAGE AND DISPOSAL: Protect from heat. Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state or local authorities.

WARRANTY AND CONDITIONS OF SALE

B2E Corporation warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. B2E Corporation makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.

R-ST™ 10 is a trademark of B2E Corporation.
