ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to

sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Products formulated with this product must be registered by the EPA..

For formulation into products intended for food processed or manufactured products, and food or feed containers or dispensers.

FORMULATING INSTRUCTIONS:

- 1) R-ST™ 10 is a light, low-density fine powder that is dusty. It is best to add directly to a mixer/blender directly. Avoid use in elevators and gravity chutes.
- 2) Shut off exhaust systems to reduce air turbulence during blending/mixing addition of R-ST™ 10.
- 3) Add R-ST™ 10 after the addition of liquid ingredients and blend until uniform.

STORAGE AND DISPOSAL: Protect from heat. Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state or local authorities.

WARRANTY AND CONDITIONS OF SALE

B2E Corporation warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. B2E Corporation makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.
