US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 69658-3	DATE OF ISSUANCE MAY 15 1997
	TERM OF ISSUANCE Conditional	
NAME OF PESTICIDE PRODUCT Novigard (Quick Dry)		

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended.

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Dr. Novis Smith & Company  
 701 Haddon Avenue  
 Collingswood, NJ 08108

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

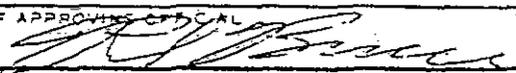

a. Add the phrase "EPA Registration No. 69658-3."

b. On the back panel, revise the product description to read as follows:

Quick Dry Formula  
 Viricidal\*, Bactericidal  
 (\*Influenza A<sub>2</sub>/Hong Kong)

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

c. On the back panel of the label, revise the precautionary statement: Flammable. Store away from sparks and open lights" to: "Flammable. Store away from sparks and open flame."

3. Submit one copy of your final printed labeling before you release the product for shipment.

4. Within one year (12 months) of the date of this Notice, utilizing the product formulation as indicated on the Confidential Statement of Formula dated April 23, 1997 (EPA Form 8570-4), you must complete and submit for Agency review the satisfactory results of the following product efficacy study:

a. "Residual Self Sanitizing Activity of Dried Chemical Residues on Undisturbed Hard Inanimate Surfaces", on one sample. Refer to Pesticide Assessment Guidelines Subdivision G; Section 91-2(m).

If these conditions are not complied with, the registration will be subject to immediate cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## QUICK DRY FORMULA

### QUICK DRY FORMULA

Virucidal, Biocidal, Bactericidal

Sanitizer pre-cleaned, hard, nonporous surfaces. For use in rest rooms, floors, walls, and noncritical surfaces in hospitals, institutions, gyms, and schools.

**Hospital Use:** This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**Use Directions For Sanitizing Non-Food Contact Surfaces:** To sanitize, spray on pre-cleaned hard, non-porous surfaces, allow to air dry and remain undisturbed for at least 15 minutes. The resulting surface will be sanitized at this point.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not operate when easy spray nozzle is in "off" position. Clean surface to be sanitized. Turn tip from "off" position to "stream" position. Hold bottle about 4 inches from area to be treated and spray until damp. Use with adequate ventilation. Surface is considered sanitized after 15 minutes.

Hazards to Humans and Domestic Animals

#### WARNING

Avoid contact with eyes and skin. Avoid contact with food.

**First Aid:** In case of skin or eye contact, immediately flush eyes or skin thoroughly with water for at least 15 minutes. Seek medical attention if irritation persists. If swallowed drink large quantities of water.

**Storage:** Store in a dry, well ventilated space inaccessible to children. Do not contaminate water, food or feed by the storage or disposal of this product.

**Disposal:** Do not reuse empty container. Rinse empty container in newspaper and place in trash or offer for recycling.

**Flammable:** Store away from sparks and open lights.
