

JAN - 4 2001

Mr. Christopher N. Sullivan  
Operations Manager  
**ALPHAMED PHARMACEUTICALS**  
1409 N. Ft. Harrison, Unit A  
Clearwater, FL 33755

Dear Mr. Sullivan:

Subject: Revised Labeling for **NOVIGUARD (QUICK DRY)**  
EPA Registration Number 69658-3  
Your Amended Application Dated November 3, 2000

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comments:

1. First Aid statement must be revised to read as follows:

**"IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**"IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

**"IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor.

"In case of emergency, for additional information call (inert toll free-emergency number).

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

# NOVI GUARD

**Quick Dry Formula**  
**Bactericidal/Viricidal\***

**\*NoviGuard™ has been proven to kill the Influenza A2 (Hong Kong) virus.**

NoviGuard™ sanitizes hard non-porous environmental surfaces such as walls, counter tops, floors, etc.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**To Deodorize:** Spray on surfaces as needed.

**To Sanitize Non-food Contact Surfaces:** Before treatment, clean surface of loose dirt. Hold spray bottle upright 4 to 6 inches from surface. Spray surface for 3-4 seconds until covered with mist. Allow to air dry and remain undisturbed for 15 minutes.

**Hospital Use:** This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**In Food Handling Areas:** (Sinks, drain boards, cabinets, garbage cans, under sinks, and faucets.) Use as Start of Day/ End of Day anti-microbial treatment on pre-cleaned surfaces. Allow product to fully dry.

**This product must not result in the direct or indirect contamination of food products.**

**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals.  
**WARNING:** Avoid contact with eyes and skin. Avoid contact with food.

**FIRST AID:** In case of skin or eye contact, flush skin or eyes thoroughly with water immediately for at least 15 minutes. Seek medical attention if irritation persists. If swallowed, drink large quantities of water and contact physician or poison control.

**PHYSICAL AND CHEMICAL HAZARDS:** Flammable: Keep away from heat, open flame or sparks.

**Storage/Disposal:** Store in a cool, dry, well ventilated place. Keep out of reach of children. Do not contaminate water, food, or feed by the storage or disposal of this product. Do not reuse container. Rinse empty container, put into bag, and place in trash or offer for recycling.
