Subject: Registration Review Label Mitigation for Halohydantoin
Product Name: Clor Mor Yellow Algae Eliminator
EPA Registration Number: 69681-36
Application Dates: November 1, 2021
Decision Numbers: 579423

Dear Judy Eldem:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Halohydantoin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently

EPA Reg. No. 69681-36
Decision No. 579423

approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Erin Dandridge by phone via email at dandridge.erin@epa.gov.

Sincerely,

Eric Miederhoff

CLOR MOR YELLOW ALGAE ELIMINATOR

ACTIVE INGREDIENTS:
Sodium Bromide 99.0%
OTHER INGREDIENTS: 1.0%
TOTAL: 100.0%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See [side] [back] panel for [First Aid] [and] additional Precautionary Statements.

Net Weight:

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: If symptoms are experienced, move victim to fresh air. If person is not breathing, call 911 or an ambulance, then artificial respiration, preferable mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

PRECAUTIONARY STATEMENTS. HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION. Harmful if swallowed. Harmful if absorbed through the skin. Avoid breathing dust. Avoid contact with eyes, skin and clothing. Do not smoke, drink or eat when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash separately before reuse.

{Environmental hazard statement for Residential/Household end-use products only}

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms.

{Environmental hazard statement for all other end-use products in containers of less than 5 gallons (liquid) or less than 50 pounds (solid, dry).}

[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms.]

{Environmental hazard statement for end-use products in containers greater than or equal to 5 gallons (liquid) or greater than or equal to 50 pounds (solid, dry).}

[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without

previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.]

PHYSICAL OR CHEMICAL HAZARDS: Do not mix with any chlorinated material or any oxidizer product.

[STORAGE AND DISPOSAL – {For pesticides with only household/residential uses in nonrefillable containers – bottles/buckets/pails/one-time use bags}.

STORAGE: Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame.

CONTAINER HANDLING AND DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.]

[STORAGE AND DISPOSAL – {For pesticides with only household/residential uses in nonrefillable containers – bags}.

STORAGE: Keep this product dry in original unopened bag until use. For partially used bags, fold over top of bag and secure with adhesive tape. Store unopened and partially used bags in a secure location away from children. Store in a cool dry, well-ventilated area away from heat or open flame. In case of decomposition, isolate container. Keep area ventilated until all fumes are gone. Do not contaminate food or feed by storage or disposal.

CONTAINER HANDLING AND DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Triple rinse container (or equivalent) promptly after emptying. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.]

[STORAGE AND DISPOSAL – {For all pesticides except products with only household/residential uses in nonrefillable containers}. Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame.

CONTAINER HANDLING AND DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.]

Residue Removal: Triple rinse container (or equivalent) promptly after emptying.

{Rigid nonrefillable containers small enough to shake with capacities less than 5 gallons or 50 lbs}

[Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in trash or in sanitary landfill, or incinerations, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.]

{Rigid nonrefillable containers too large to shake with capacities equal to or greater than 5 gallons or 50 lbs}

[Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in trash or in

sanitary landfill, or incinerations, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.]]

WARRANTY STATEMENT: Buyer assumes all responsibility for safety and use not in accordance with directions.

[Clears away [slimy yellow] [and] [mustard] [algae]]

[For Swimming Pools]

[Dissolves Quickly]

[Leaves no Residue]

[For all types of pools]

[For Fast Treatment of [Yellow] [and] [Mustard] [Algae]]

[Granules]

[Granular]

[Remedy]

[Repel]

[Inhibit]

[To Control and Prevent Algae Growth] [and] [to Maintain Clear Water in Swimming Pools]

SWIMMING POOLS:

This product is a granular formula that helps clear away slimy yellow and mustard algae in swimming pools. When used as directed, this product clears water quickly and can be used in any type of swimming pool. Swimming may be resumed several hours after treatment.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and use directions. To remove visible yellow or mustard algae: (all dosages are for 10,000 gallons of water). This product is not for use in outdoor pools. Before draining a treated pool, contact your local sanitary sewer and storm drain authorities and follow their discharge instructions. Do not discharge treated pool water to any location that flows to a gutter or storm drain or natural water body unless discharge is allowed by state and local authorities.

1. Brush walls and floor areas affected by yellow algae accumulation.
2. Apply 4 oz. of this product per 10,000 gallons of water as close to the affected areas as possible.
3. For severe accumulations, double the dosage.
4. Superchlorinate by following directions on that product's label.
5. Use a suitable test kit to test for residual chlorine. Ensure that the chlorine residual is 3 ppm or lower before reentering the pool.

[Weekly Maintenance: To prevent accumulation of yellow algae (all dosages are for 10,000 gallons of water). With water temperature over 80°F, add 4 oz. of this product with 1 gallon liquid chlorine or 1 pound of a dry chlorine once a week. With water temperature under 80°F, add 2 oz. of this product weekly and ½ gallon liquid chlorine or ½ pound of a dry chlorine.]

{FOR SINGLE DOSE SIZE REPLACE #2 ABOVE WITH:}

[2. Add entire contents of this packet per 10,000 gallons of water.]
