Dr. Jospheh G. Martorano
Medtrol, Inc.
7157 Austin Avenue
Niles, IL 60714

Dear Dr. Martorano:

Subject: Super Chlor
EPA Registration No. 69687-1
Your Resubmission Dated November 25, 1996

This is in response to your resubmission of revised labeling for the subject product.

The labeling referred to above, submitted connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended is acceptable, subject to the following comment.

1. Change "First Aid" to read "Statement of Practical Treatment (First Aid)."

A stamped copy is enclosed for your records.

If you have any questions, please call Marianne Clark at (703) 305-7879.

Sincerely yours,

Robert Brennis
Acting Product Manager (32)
Antimicrobial Program Branch
Registration Division (7505W)

ACCEPTED
WITH COMMENTS
in EPA Letter Dated:
FEB 21 1991

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, this pesticide
registered under EPA Reg. No.

69687-1

Directions for use:

- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling
- Always use personal protective equipments
- Open Super-Chlor Packet
- Remove premoistened 8"x10" towelette
- Apply towelette and wipe desired surface to be decontaminated
- Allow to air dry and discard (see front panel)

This product is not to be used as a terminal sterilant/high level disinfectant on any surface instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barriers or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Super-Chlor is a 1:10 dilution of 5.25% sodium hypochlorite solution with distilled water to comply with recommended infection control protocol.
