

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
69720-2

Date of Issuance:
12 MAR 1989

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

Term of Issuance:
Conditional

(under FIFRA, as amended)

Name of Pesticide Product:
Industrial Compactor
Insecticide

Name and Address of Registrant (include ZIP Code):
CORBIN CHEMICAL CORP.
126, 25 Street
Brooklyn, NY 11232

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 69720-2".

b. Under "Environmental Hazards" revise the first sentence to read:
....."This product is toxic to fish".

c. Environmental/marketing, health/safety, ambiguous and misleading claims are unacceptable, therefore delete the following claims:

Signature of Approving Official:
RPK

Date:
12 MAR 1989

- i. Special low oil formula.
- ii. A Corbin Insecticide - Leaves no objectionable residues.
- iii. The insecticidal components of this spray are classified as food additives and when used as directed, allowable tolerances will not be exceeded.

d. Correct the spelling of "pyrethrins" to "pyrethrin"

e. Move:

- i. "Do not apply while food is being prepared" to "Directions for Use".
- ii. "Do not transport or store under 32⁰F" to "Storage & Disposal".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

3/3

**PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Foods should be removed or covered during treatment. Any food processing surfaces should be covered during treatment or thoroughly cleaned before using.

Do not apply while food is being prepared.

ENVIRONMENTAL HAZARDS

This product may be toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply only as specified on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **Pesticide Storage And Spill Procedures:** Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth fuller's earth, etc. Dispose of with chemical waste.

Pesticide Disposal: Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by an approved waste disposal facility.

FOR CONTAINERS ONE GALLON AND SMALLER: Do not reuse container. Wrap container in several layers of newspaper and discard.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For rapid control of Roaches, Silverfish, Centipedes, Crickets, Beetles, (Confused Flour Beetle), Weevils (Granary Weevils), use a spray sprayer adjusted to deliver 1/2 gallon to 750 square feet of surface where these insects are found. Spray chutes and cans, into cracks and crevices and beneath sinks, stoves, ranges, baseboards, and around door frames, trails, nests and points of entry, as possible.

In case of infested foods in containers, remove all contents. Wash interior surfaces of empty cabinets, shelves, dried, cover shelves with paper to prevent direct contact with spray.

Repeat treatment if reinfestation occurs.

To kill Flies, including Fruit Flies, Moths, Wasps, and Hornets, use a spray sprayer. Shut off ventilating systems. Remove all food from aquaria before spraying. Apply thermal spray. Thoroughly fumigate. Pay attention to light sources which should be closed for 15 minutes. Vacate area before reoccupying.
