Hampshire, IL 60140

SUBJECT: Golden Solution II
EPA Registration Number: 69741-2
Application Date: June 25, 2003
Receipt Date: September 3, 2003

Dear Mr. Bob Nelson,

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the condition listed below.

- Label Update

Condition

Revise the front panel of the label such that the font size of the text in the "Ingredients Statement" is significantly larger. The present font size is barely legible and does not clearly convey the ingredients to the consumer.

PART #245
Golden Solution
COMBINATION

Water Treatment & Bacterio-Static

Golden Solution Combination Humidifier Water Treatment & Bacterio-static is the ideal product for inhibiting the growth of Algae & Odor Causing Bacteria. The treatment also aids in preventing Lime Scale and Mineral build up in all evaporative, filter type table top and console humidifiers.

IMPORTANT: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. In a clean humidifier, add no more than two capfuls (16ml) of Combination Water Treatment & Bacterio-static for every gallon of water the humidifier holds. Fill cap to top. When refilling, add only two capfuls of Water & Bacterio-static Treatment for every additional gallon of water added. Not for heat vaporizer or atomizing-type vaporizer humidifiers.

IMPORTANT: Inadvertent spillage should be immediately rinsed and dried. Make sure the plastic bottle is tightly closed and totally dried before placing on a counter or storing.

NOTE: For best results, use our Golden Solution Combination Descaler & Cleaner at the beginning of every season. Start off the humidification season with a clean, scale free humidifier.

**PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND
DOMESTIC ANIMALS**

CAUTION: Keep out of reach of children. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to individuals unfamiliar with its use. Do not reuse container. Wrap and discard in trash.

FIRST AID: Have product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.
