WASHINGTON, DC 20460

OFFICE OF CHEMICAL SAFETY  
AND POLLUTION PREVENTION

August 25, 2016

Tony Herber  
Agent for RPS Products, Inc.  
RPS Products, Inc.  
281 Keyes Ave.  
Hampshire, IL 60140

Subject: Notification per PRN 98-10 –Addition of non-pesticidal marketing claims and graphics  
Product Name: Golden Solution II  
EPA Registration Number: 69741-2  
Application Date: August 8, 2016  
Decision Number: 520277

Dear Mr. Herber:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Tara Flint at [flint.tara@epa.gov](mailto:flint.tara@epa.gov) or Eric Miederhoff at [Miederhoff.eric@epa.gov](mailto:Miederhoff.eric@epa.gov).

Sincerely,

Eric Miederhoff  
Product Manager 31  
Regulatory Management Branch I  
Antimicrobials Division (7510P)  
Office of Pesticide Programs  
Date: August 25, 2016

#### Precautionary Statements-Hazard to humans and domestic animals

CAUTION. Keep out of reach of children. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food.

#### First Aid:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have product container or label with you when calling a poison control center or doctor, or going for treatment. *Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.*

Directions For Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

In a clean humidifier, add 2 tsp (16ml) [approx. two capfuls] of this product for every 1 gallon of water the humidifier holds. Fill cap to top. When refilling, add only two capfuls of this product for every additional gallon of water added. Not for heat vaporizers or atomizing-type/vaporizer humidifiers.

IMPORTANT: Inadvertent spillage should be immediately rinsed and dried. Make sure the plastic bottle is tightly closed and totally dried before placing on a counter or storing.

[Note: For best results, use our Best Air humidifier cleaner (1C) for routine cleaning.]

Storage and Disposal: Store in original container in areas inaccessible to individuals unfamiliar with its use. Nonrefillable container. Do not reuse container. Wrap and discard in trash.
