**Nature's Glory WEED & GRASS KILLER-RTU****PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND ANIMALS**

**WARNING:** Causes eye irritation. Wear protective eyewear such as safety glasses when applying. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wash waters.

**DIRECTIONS FOR USE**

**IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.**

Nature's Glory™ Weed & Grass Killer-Ready To Use is a foliar active weed control product which contains vinegar as the active ingredient and extracts from lemon juice as one of the inerts. It is non-selective to both broadleaf and grassy weeds and is recommended for non-food areas such as borders, driveways, sidewalks, around mature tree bases, around buildings, in fence rows, in greenhouses, and around flower beds.

Nature's Glory™ Weed & Grass Killer-Ready To Use is fast acting. Foliar contact results in rapid desiccation and control of annual weeds and grasses, and top growth reduction of herbaceous perennial weeds and grasses (see Tables on pg. 4). Re-treatment is required for control of established perennial weeds.

**FOR EARLY SEASON ANNUAL WEED CONTROL:** When weeds are small (3 to 5 leaf) and actively growing, apply Nature's Glory™ Weed & Grass Killer-Ready To Use to the foliage of weeds, making sure that all of the foliage is wet. Thorough coverage is necessary to achieve desirable control.

Nature's Glory™ Weed & Grass Killer-Ready To Use is fast acting. It can be applied up to one hour before rainfall and still be effective. If it rains less than one hour after treatment, determine if treated leaves are showing symptoms. If symptoms are not obvious, wait until the leaves dry and re-treat.

**Nature's Glory WEED & GRASS KILLER-RTU**

**FOR CONTROL OF LARGER ANNUALS AND BURNDOWN OF PERENNIAL WEED GROWTH:** Larger annual weeds and perennials are more difficult to control and may require re-treatment. Treat initially as recommended above and repeat if new growth of leaves appear. Thorough coverage of all green foliage is necessary to achieve desirable control.

Best results are achieved from spring/early summer applications to actively growing young weeds. Weeds that are mature, dormant, or hardened due to moisture stress are more tolerant of herbicide treatments. Only contacted vegetation will be affected. Rainfall within one hour of application will reduce degree of control.

Avoid application to reactive metals such as aluminum, tin, iron, or items such as fencing or lawn furniture in order to prevent staining, mottling, or otherwise interfering with finished metal surfaces.

**DO NOT APPLY THIS PRODUCT THROUGH ANY TYPE OF IRRIGATION SYSTEM. DO NOT ALLOW CONTACT WITH DESIRABLE PLANTS. OVERSPRAY OR DRIFT WILL INJURE OR KILL CONTACTED VEGETATION.**

---

**TYPICAL WEEDS CONTROLLED**

**ANNUAL BROADLEAF WEEDS:** Black medic, Chickweed, Cinquefoil (rough), Lambsquarters, Mustard spp., Oxalis spp., Pigweed spp., Ragweed spp.

**PERENNIAL BROADLEAF WEEDS:** Cinquefoil (silvery), Dandelion, Plantain spp., Toadflax, Tufted vetch, Wild carrot.

**ANNUAL GRASSES:** Crabgrass, Foxtail spp.

**PERENNIAL GRASSES:** Bluegrass, Quakgrass

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Keep from freezing. Store only in original tightly sealed container and out of reach of children.

**DISPOSAL:** If empty: Do not use this container. Place in trash for recycling if available. If partially filled; call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

**CONDITIONS OF SALE**

The label instructions for the use of this product reflect the opinion of experts based on research and field use. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffective or other unintended consequences may result because of such factors as weather conditions, presence of other materials, herbicide-resistant weed preparations or the use or application of the product contrary to label instructions, all of which are beyond the control of Ecoval. ALL SUCH RISKS SHALL BE ASSUMED BY THE USER. Ecoval shall not be responsible for losses or damage resulting from the use of this product in any manner not specifically set forth on this label.

Ecoval warrants only that the material contained herein conforms to the chemical description on the label and is reasonably fit for use therein described when used in accordance with the directions for use, subject to the risks referred to above. ECOVAL DOES NOT MAKE OR AUTHORIZE ANY AGENT OR REPRESENTATIVE TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, AND EXPRESSLY EXCLUDES AND DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ECOVAL'S EXCLUSIVE REMEDY AND ECOVAL'S EXCLUSIVE LIABILITY SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THIS PRODUCT. In no case shall ECOVAL or the seller be liable for consequential, special or indirect damages resulting from the use of the product. The foregoing is a condition of sale by Ecoval and is accepted as such by the buyer.
