Subject: Label Amendment Application Dated May 12, 2003
EPA Registration No. 70051-7
Label amendment to update First Aid Statement per PR Notice 2001-1 and update all company references and Warranty Statement

Dear Ms. Dively:

The amendment to update the First Aid Statement per PR Notice 2001-1 and update all company references and Warranty Statement, submitted in connection with registration under FIFRA section 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Sheryl K. Reilly, Chief, BPB
Biopesticides and Pollution Prevention Division
7511C
