Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 – Add Optional Graphics and Non-FIFRA Related Optional Statement
Product Name: Double Nickel LC RTU
EPA Registration Number: 70051-114
Application Date: 02/23/2021
OPP Action Code Case Number: 00292694

Dear Ms. Koster:

The U.S. Environmental Protection Agency (EPA) is in receipt of your application for notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Biopesticides and Pollution Prevention Division (BPPD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped “Notification” and will be placed in our records. You must submit one (1) copy of the final printed labeling with the modifications.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance Assurance.

If you have any questions, please contact me by phone at (703) 347-0305 or via email at boukedes.alexandra@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Alexandra Boukedes".

DOUBLE NICKEL® LC RTU

Ready-To-Use Aqueous Suspension Biofungicide/Bactericide [for control of plant diseases in and around homes and home gardens: [indoor] houseplants, tropical plants, vegetables, ornamental and fruit trees, shrubs, flowers, bedding plants, and [[indoor] [and/or] [outdoor]] potted ornamental plants]
[Foliar Spray]

FOR ORGANIC GARDENING

Active Ingredient:

Bacillus amyloliquefaciens strain D747*9.88%

Other Ingredients 90.12%

Total 100.00%

*Contains a minimum of 5×10^8 colony-forming units (cfu) per milliliter

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center, doctor, or going for treatment. For non-emergency information (product usage, general information) from [8am-6pm ET] {or} [distributor hours], contact customer service at [1-800-250-5024] {or} [distributor phone number].

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if absorbed through skin. Harmful if inhaled. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutter or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

[Double Nickel LC RTU] [product name] [this product] is a broad-spectrum preventative biofungicide/bactericide for control or suppression of fungal and bacterial plant diseases on [houseplants,] [[indoor] [and/or] [outdoor] potted plants,] [ornamental plants,] [tropical plants,] [bedding plants,] [roses,] [vegetables,] [fruits,] [nuts,] [flowers,] [foliage,] [trees,] [and] [shrubs] in and around [homes,] [residential landscapes,] [home gardens,] [and] [residential greenhouses].

APPLICATION INSTRUCTIONS

Shake well before using. Spray leaves, stems, [roots (soil),] and new shoots to runoff, providing complete coverage of the entire plant. For best results, treat plants before disease development or at the first visible signs of infection. Repeat at weekly intervals or as needed. Spray interval may be shortened under conditions favorable to rapid disease development, such as high humidity, excessive rain, or other conditions of extreme moisture. Allow spray to dry at least 4 hours before watering if foliage will also be watered.

[Double Nickel LC RTU] [product name] [this product] may be used on the following plants:

Vegetables, fruits, nuts, ornamental trees, shrubs, flowering plants, houseplants, and tropical plants grown in and around homes, home gardens, or home greenhouses

{or}

[Houseplants,] [[indoor] [and/or] [outdoor] potted plants,]
[ornamental plants,] [tropical plants,] [bedding plants,] [roses,]
[vegetables,] [fruits,] [nuts,] [flowers,] [foliage,] [trees,] [and]
[shrubs] in and around [homes,] [residential landscapes,] [home
gardens,] [and] [residential greenhouses].

**DISEASES CONTROLLED BY [Double Nickel LC RTU] [product name]
[this product]:**

Anthracnose (*Colletotrichum* species)
Bacterial leaf blights, spots, and specks (*Erwinia*, *Pseudomonas*, and
Xanthomonas species)
Black mold, brown spot, black crown rot (*Alternaria* species)
Black spot of roses (*Diplocarpon rosae*)
Gray mold, Botrytis blight, fruit rot (*Botrytis* species)
Leaf spots (*Alternaria*, *Cercospora*, *Entomosporium*, *Helminthosporium*,
Myrothecium, and *Septoria* species)
Powdery mildews (*Podosphaera*, *Erysiphe*, *Golovinomyces*, *Sphaerotheca*
and *Oidium* species; *Uncinula necator*, *Oidiopsis taurica*, *Leveillula*
taurica).

**DISEASES SUPPRESSED BY [Double Nickel LC RTU] [product name]
[this product]:**

Downy mildew (*Bremia lactucae*, *Peronospora* and *Plasmopara* species)
Early blight (*Alternaria solani*)
Late blight (*Phytophthora infestans*)
Fire blight (*Erwinia amylovora*): Disease suppression only
Pin rot (*Alternaria/Xanthomonas* complex)
Scab (*Venturia* species)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Store this product in its original container only, in an area inaccessible to children. Keep the container closed when not in use.

Pesticide Disposal and Container Handling:

Non-refillable container. Do not reuse or refill this container. **If empty:** place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY

Certis USA LLC warrants that the material contained herein conforms to the description on the label and is reasonably fit for the purpose referred to in the directions for use. Timing and method of application, weather, watering practices, nature of soil, the disease problem, condition of the plant, incompatibility with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. To the extent consistent with applicable law, buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herein. NO OTHER EXPRESS OR IMPLIED WARRANTY OF THE FITNESS OR MERCHANTABILITY IS MADE.
