Date of Issuance  
SEP 28 2012

Term of Issuance  
**Conditional**

Name of Pesticide Product  
CSR-2

**NOTICE OF PESTICIDE**  
 Registration  
 Reregistration

(under FIFRA as amended)

Name and Address of Registrant (include ZIP Code)

**BASF Corporation**  
100 Campus Drive  
Florham Park NJ 07932

Note Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce In any correspondence on this product always refer to the above EPA registration number

On the basis of information furnished by the registrant the above named pesticide is hereby registered under the Federal Insecticide Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency In order to protect health and the environment the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

Based on your response to the Chlorine RED the EPA has reregistered this product This action is taken under the authority of section 4(g)(2) of the Federal Insecticide Fungicide and Rodenticide Act as amended Reregistration under this section does not eliminate the need for continual reassessment of pesticides The EPA may require submission of data at any time to maintain the registration of the subject product
