GC

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Englehard Corporation
101 Wood Avenue
Iselin, N.J. 08830-0770

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Revise the EPA File symbol 70060-ET to EPA Registration Number 70060-27.
3. Certification with Respect to Child -Resistant Packaging is required for this product.
4. Obtain and add an EPA Establishment number.
5. Line up the decimal points on the list of ingredients.
6. Switch the order of First Aid treatment by placing If on Skin before If Swallowed.
7. Submit two copies of the revised final printed label for our records.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Your release for shipment of the product constitutes acceptance of these conditions.

Copies of our reviews of data submitted in support of this registration are enclosed.

A stamped copy of the label is enclosed for your records.

Net Weight:

Manufactured By:
Engelhard Corporation
Iselin, NJ 08830

Sodium chlorite in this product is from Spain

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Aseptrol Tablet GC to improve the taste, control odor and prevent slime growth and microbial contamination in potable drinking water that is stored or present in drinking water coolers.

TO USE: Remove the 250 mg tablet from its foil packaging and quickly insert the tablet into 4 quarts (1 gallon) of contaminated water. Allow to react for 15 minutes, in an area away from sunlight, in order to generate a use-solution of 1 ppm chlorine dioxide.

Storage and Disposal

Store in a cool, dry area away from sunlight and heat and in an area inaccessible to children. Place empty foil pouch in trash.
