FIRST AID

If Swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on Skin:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER – CHEMTREC (800) 424-9300 (24 Hours)

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

See back panel for additional precautionary statements.

PRECAUTIONARY STATEMENTS

Hazards To Humans & Domestic Animals

Caution

- Harmful if swallowed or absorbed through the skin.
- Causes moderate eye irritation.
- Avoid contact with skin, eyes or clothing.
- Wash thoroughly with soap and water after handling.
- Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT:

Applicators and other handlers must wear long-sleeved shirt and long pants and shoes plus socks.

Follow the manufacturer's instructions for cleaning/maintaining PPE. If there are no instructions for cleaning PPE, wash in detergent and hot water. Keep and wash PPE separate from other laundry.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

EPA Registration No. 70061-1

Manufactured For:
THEMAC, INC.
P. O. Box 5209

EPA Establishment No. _____

Valdosta, GA 31603-5209

ENVIRONMENTAL HAZARDS:

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wastewater or rinsate.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the State or Tribal agency responsible for pesticide regulation.

DO NOT APPLY TO FOOD CROPS.

Note: Do not use a sprayer which has been used for applications of herbicides. Herbicide contamination may cause injury or kill desirable plants.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 12 hours. PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is:

- Coverall over long-sleeved shirt and long pants
- Chemical-resistant gloves.
- Shoes plus socks.

GAME STOP consists of fish oil which repels deer and rabbits by taste and smell. Apply GAME STOP to foliage and twigs of trees, shrubs and ornamental plants which are fed upon by rabbits and deer. Using the following rates, dilute GAME STOP in water and spray the diluted mixture on vegetation until wet.

Application Directions	Treatment Interval	Application Rate
Periods of Rapid Growth (Spring & Summer)	14 days	13 fl. oz. product/Gallon water
Periods of Declining Growth (Fall)	28 Days	26 fl. oz. product/Gallon water
Periods of Dormancy (Winter)	Single Application	32 fl. oz. product/ ½ Gallon water
For complete plant coverage with boom or Fan Jet Equipment	As Above	4 fl. oz. product/Gallon water

- Do not make more than fifteen applications per season.
- Rainfall which occurs before drying of GAME STOP will reduce the degree of control.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store unused product in original container only in a cool, dry area out of reach of children and animals.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY

The manufacturer warrants that this product conforms to the original formulation and is fit for use as directed. To the fullest extent permitted by State law, neither the manufacturer nor seller shall be liable for any injury, loss or damage direct or indirect arising from the misuse of the product. Agriculture Sciences, Inc. and its various sellers only obligation shall be to replace such quantity of the product that is proven defective before purchase.
