Babolna Bioenvironmental Centre Ltd. c/o Peggy M. Galloway Landis International, Inc. P.O. Box 5126 Valdosta, GA 31603-5126

RE: Product Name: MCSI Methoprene Ant Killer Bait

EPA Reg. No.: 70062-6

Application for Label Notification dated October 8, 2010 to change the primary brand name from "MCSI Methoprene Ant Killer Bait" to "Babolna Bio Methoprene Ant Killer Bait" and make changes to the

warranty statement.

Dear Ms. Galloway:

The Biopesticides and Pollution Prevention Division is in receipt of your application for Notification under PR Notice 98-10 dated above. A preliminary screen of this request has been conducted for its applicability under PR Notice 98-10 and it has been determined that the action(s) requested falls within the scope of PR Notice 98-10. Our records have been duly noted, and the label submitted with this application has been stamped "Notification Accepted" and will be placed accordingly in our records.

If you have any questions concerning this action, please feel free to contact Mr. Colin Walsh at (703) 308-0298 or via email at walsh.colin@epa.gov.

Sincerely,

Linda A. Hollis

Linda A. Hollis, Chief Biochemical Pesticides Branch Biopesticides and Pollution Prevention Division (7511P)

Ms. Linda A. Hollis, Branch Chief Biochemical Pesticides Branch Biopesticides and Pollution Prevention Division U.S. EPA Office of Pesticide Programs (7504P) Document Processing Desk (NOTIF) One Potomac Yard, Room S-4900 2777 South Crystal Drive Arlington, VA 22202

SUBJECT: MCSI METHOPRENE ANT KILLER BAIT

EPA Registration No. 70062-6

Dear Ms. Hollis:

Enclosed are the following on behalf of BABOLNA BIOENVIRONMENTAL CENTRE LTD.:

- Application for Pesticide Registration Amendment (EPA Form 8570-1) NOTIFICATION of label amendment changing the Primary Brand Name (PR Notice 98-10, Section II.A) and the Warranty Statement (PR Notice 98-10, Section II.J).
- One copy of amended labeling with changes "highlighted".
- Two copies of "clean" amended labeling.

BABOLNA BIOENVIRONMENTAL CENTRE LTD. would like to change the Primary Brand Name for this product to: BABOLNA BIO METHOPRENE ANT KILLER BAIT.

This Notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the Confidential Statement of Formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to the EPA. I further understand that if this Notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalities under Sections 12 and 14 of FIFRA.

We appreciate your assistance with this label amendment. If you have any questions or need additional information, please do not hesitate to contact us at any time.

Best regards

Peggy M. Gallowav Regulatory Agent for

BABOLNA BIOENVIRONMENTAL

CENTRE LTD.

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### FOR CONTROL OF PHARAOH ANTS

#### **General Information**

BABOLNA BIO METHOPRENE ANT KILLER BAIT is an insect growth regulator (IGR). When foraging ant workers take bait into the mound to feed the queen and brood, methoprene kills larvae, disrupts egg development and metamorphosis, and prevent egg production by the queen.

Pharaoh ants lay their nests in hidden places (mainly in kitchens and bathrooms), in wall cracks, and along pipes and sockets. A single nest may consist of several thousand workers and, unlike other ant species, several queens. If a single queen and any workers survive the treatment, the population will be able to reproduce. Where there are many ants present, it is recommended to reduce the number of migratory workers by using a traditional insecticide spray two (2) weeks before the application of BABOLNA BIO METHOPRENE ANT KILLER BAIT. Following the use of the bait, a final treatment with a traditional insecticide spray can kill the few remaining workers. NOTE: DO NOT APPLY ANY OTHER INSECTICIDE FORMULATION WHILE USING THE BAIT.

#### **Bait Application**

To open the entrances of the bait station, cut off top of packaging along the dotted line as indicated. From the bottom of the bait station, tear off the sticker-protecting foil and stick the bait station near frequently used routes of foraging ants. To avoid spilling the bait, position the bait station with its entrances facing upwards or sideways as indicated by the arrow. Following placement of the bait, you may observe more ants than before due to the bait's attraction. If there is a large population of ants and/or the bait station becomes empty or damaged (e.g., gets drenched), replace it with a new bait station. It is recommended to leave the bait at the same place for a period of 3 months, even if the ants disappear from the premises much earlier.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**: Store unused product in original container only in a cool, dry area out of the reach of children or animals.

**PESTICIDE DISPOSAL**: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

**CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

#### WARRANTY AND CONDITIONS OF SALE

Bábolna Bioenvironmental Centre Ltd., warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with label directions under normal conditions of use. To the extent consistent with applicable law, Seller makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risk of use, storage or handling of this material contrary to label instructions.
