PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
**CAUTION**

Breathing spray mist may be harmful. Avoid contact with skin, eyes, or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not apply where runoff is likely to occur. Do not contaminate water when disposing of rinsate or equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F (54 C) may cause bursting.

This product contains highly flammable ingredients. It may cause a fire or explosion if not used properly. Follow the Directions for Use on the label very carefully.

***Highly Flammable Ingredient  
Ingrediente Altamente Inflamable***

**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

**Does not control bed bugs**

**General Instructions and Information**

**General Precautions and Restrictions**

Do not remain in treated area. Exit immediately and remain outside of treated area until aerosols, vapors, and/or mists have dispersed. Wait two hours after application, then open windows, vents, and doors for two hours. If an odor is still detected, additional ventilation is required. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.

**General Information**

BABOLNA COCKROACH KILLER FOGGER (AEROSOL) contains a synthetic juvenile hormone look-alike which disrupts the normal growth development of cockroaches. Roaches exposed to BABOLNA COCKROACH KILLER FOGGER (AEROSOL) will become adults incapable of reproducing, thus ending the cycle of infestation. BABOLNA COCKROACH KILLER FOGGER (AEROSOL) also contains conventional insecticides which control fleas, ticks, and flies. The fog reaches these insects through cracks and crevices to kill them where they hide.

BABOLNA COCKROACH KILLER FOGGER (AEROSOL) should be applied every three months to maintain continuous protection. It leaves no bad smell and when used as directed, does not stain furnishings. One 63 ml (2.2 fl oz) can is sufficient to treat a room of 60 m<sup>3</sup> (2120 cu ft or 17 ft x 17 ft with an 8 ft ceiling). That corresponds to about 15-20 m<sup>2</sup> (~200 sq ft). The 150 ml (5.3 fl oz) can is sufficient to treat approximately 140 m<sup>3</sup> (4940 cu ft or 25 ft x 25 ft with an 8 ft ceiling) and the 210 ml (7.4 fl oz) can is sufficient to treat approximately 200 m<sup>3</sup> (7060 cu ft or 30 ft x 30 ft with an 8 ft ceiling). Duration of efficacy is about three months.

**To Use this Product Correctly** DO NOT use more than one FOGGER per room

DO NOT use in small enclosed spaces such as closets cabinets or under counters or tables Use of a fogger in an enclosed space may cause the product to explode resulting in injury to people or damage to property Do not use in a room 5 ft x 5 ft or smaller instead allow fog to enter from other rooms

Turn off ALL ignition sources such as pilot lights (shut off gas valves) other open flames or running electrical appliances that cycle off and on (i.e. refrigerators thermostats etc.)

Call your gas utility or management company if you need assistance with your pilot lights

### **Application Sites**

BABOLNA COCKROACH KILLER FOGGER (AEROSOL) is intended for use in domestic commercial and industrial areas including but not limited to apartment buildings houses schools day care centers nursing homes hospitals laboratories industrial and office buildings manufacturing establishments warehouses stores supermarkets grocery stores food-handling premises such as kitchens restaurants bars cafeterias and transportation such as aircraft buses trucks trailers rail cars and marine vessels

### **Instructions for Use**

- 1) **Before you fog** Cover or remove exposed food drinking water dishes utensils and food-handling equipment and plastic items such as eye glasses stereo covers and notion boxes before application

All food processing surfaces and equipment should be covered during treatment or thoroughly cleaned before using. Cover aquariums and remove birds and other pets before treatment. Open cabinets and doors to areas to be treated. Leave rugs, drapes, slipcovers, and furniture in place. When used as directed, this product will not harm them. Make sure the room is properly closed. Shut off fans and air conditioners. Extinguish open flames and pilot lights.

- 2) Shake well before using. Place container into the middle of the room on a table or a chair with several sheets of newspaper or a pad under the fogger.
- 3) **To Start Fogging** Keeping at arm's length, point top of can away from face (container sprays straight up), press down valve, and set can in upright position. Do not remain in treated area. Exit immediately and remain outside of treated area until aerosols, vapors and/or mists have dispersed.

**Vacate the treated house, individual apartment unit, or other structure immediately**

- 4) Keep treated area closed at least for two hours. Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.

**Do Not Re-enter for 2 hours**

**Airing Out** After two hours, open windows and let treated area air for 2 hours.

**Storage and Disposal**

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage** Store in a cool, dry place, away from heat, sparks, and open flame. Keep container closed and out of reach by children and animals.

**Pesticide Disposal** Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

**Container Handling** Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container.

**If empty** This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (**DO NOT PUNCTURE!**). If the recycling option is not available, discard container in the trash.

**If partly filled** Call your local solid waste agency for disposal instructions.

**WARRANTY AND CONDITIONS OF SALE**

To the extent consistent with applicable law, BABOLNA warrants that the chemical composition of this

product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with label directions under normal conditions of use To the extent consistent with applicable law seller makes no other warranty express or implied concerning the use of this product other than as indicated on the label Buyer assumes all risk of use storage or handling of this material contrary to label instructions

[The final printed label will have label statements in both English and Spanish ]
