Dear Mr. Feinberg:

The Agency has reviewed your request to amend the Taegro Technical label to revise the Pesticide Storage instructions.

The Agency has reviewed the submitted "Final Storage Stability Study," MRID 48747701. 1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit two (2) copies of the final printed labeling prior to releasing the product for shipment.
