Date of Issuance:

September
2, 1998

Term of Issuance: Time-
limited, expiring
January 31, 1999

Name of Pesticide Product:

Nation's Ag Technical
Mefenoxam

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Nation' Ag, L.L.C.
P.O. Box 808
Isle of Palms, SC 29451

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with section 3(c)(5) of FIFRA subject to the terms and conditions imposed upon the original registrant, Novartis, for their product EPA Reg. No. 100-791.

Make the following label change before you release the product for shipment: Revise the EPA Reg. No. to 70252-9.

Submit two copies of the final printed label prior to release for shipment.

A stamped copy of the label is enclosed for your records.

KEEP OUT OF REACH OF CHILDREN**DANGER**

ACCEPTED
with **COMMENTS**
In EPA Letter Dated
SEP 2 1998

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
70252-9

Causes irreversible eye damage. Do not get in eyes or on clothing. Wear chemical goggles or face shield. May be fatal if swallowed. Harmful if absorbed through skin. Avoid contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. Remove contaminated clothing and wash before reuse.

Statement of Practical Treatment

If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention immediately.

If on skin: Wash with plenty of soap and water. Get medical attention.

If swallowed: Call a physician or Poison Control Center. Drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, large quantities of water. Avoid alcohol. Induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

Note to Physician: If ingested, check for possible mucosal damage before administering gastric lavage. Treat symptomatically.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If terms are not acceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Nation's Ag or the Seller. All such risks shall be assumed by the Buyer.

Nation's Ag warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use** subject to the inherent risks referred to above. Nation's Ag makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Nation's Ag or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. Nation's Ag and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of Nation's Ag.

No end use of this product other than formulation is intended or implied by the above **Conditions of Sale and Warranty**.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

(Technical Mefenoxam)

Only for formulation into a fungicide for the following use(s): Citrus, Cotton, Cucurbit Vegetables Group, Fruiting Vegetables Group (except Cucurbit), Leafy Vegetables Group (except Brassicae), Potatoes, Tobacco and Turf and Ornamentals.

Storage and Disposal

Pesticide Storage and Disposal

Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal

Triple rinse or equivalent. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire or other emergency, call 1-800-888-8372, day or night.
