Microban Professional Strength Multi-Purpose Antibacterial Cleaner (EPA Reg. No. 70263-8)
Notification of Minor Label Changes per PR Notice 98-10**

Dear Ms. Noble:

As agent for Microban Systems, Inc., I am submitting a Notification pursuant to PR Notice 98-10 for their product, **Microban Professional Strength Multi-Purpose Antibacterial Cleaner (EPA Reg. No. 70263-8)**. The purpose of this notification is to revise the section of the label titled "SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 OR HBV ON SURFACES / OBJECTS SOILED WITH BLOOD / BODY FLUIDS" to include appropriate references to HCV. Please note that the Agency has already approved the HCV claim for this label. However, it recently came to our attention that references to HCV were missing from the section titled "SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 OR HBV ON SURFACES / OBJECTS SOILED WITH BLOOD / BODY FLUIDS."

We are also taking this opportunity to revise a typographical error present on page 2 of the label.

Enclosed please find the following documents in support of this Notification:

1. Application for Pesticide Notification (OPP ID No. 265394), which includes a signed statement certifying compliance with PR Notice 98-10;
2. One (1) copy of the proposed label with changes highlighted; and,
3. One (1) clean copy of the label.

These revisions do not involve changes to the ingredients statement, signal word, use classification, precautionary statements, first aid, physical/chemical properties, or storage and disposal language. Furthermore, the revisions does not substitute for or conflict with label text, and are not false or misleading.

Thank you for your assistance with this Notification. If you have any questions, please call me at 202-393-3903 x.17 or e-mail me at alkoster@lewisharrison.com if you have any questions.

Sincerely,

Ana Rodriguez-Koster
