SUBJECT: Application for Pesticide Notification (PRN 98-10)
Request General Label Change and Directions for Use
EPA Reg. No. 70305-1
Application Dated August 31, 2007

Dear Mr. McCreary:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 08/31/07 for the above product. The Registration Division (RD) has conducted a preliminary screen of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

Linda Arrington
Rachel C. Halloman

**RE: Application for Notification
EPA Reg. Nos. 70305-1, 70305-2 & 70305-3**

Dear Sir/Madam:

Please find enclosed Application for Notification forms (EPA Form 8570-1) as per pertinent provisions of the PR Notice 98-10, and in accordance with 40 CFR 152.46.

Specifically, as provided by the PR Notice 98-19, we notify the Agency the addition of "Original Scent" statement on the front panel of the label for our product "Para Moth Balls" (EPA Reg. No. 70305-1), and a minor change in the Direction for Use for all three products, "Para Moth Balls" (EPA Reg. No. 70305-1), "Cedar Scented Para Moth Balls" (EPA Reg. No. 70305-2) and "Para Moth Flakes" (EPA Reg. No. 70305-3). This minor change is needed to compensate for a small inadvertent typographical error made on the initial draft labels submitted to the Agency. Enclosed also are copies of the labels for the three products reflecting these changes.

Should there be any questions regarding this matter, please do not hesitate to call me at 973-591-0777.

Sincerely,

**Raymond E. McCreary, President
Paragon Household Products Inc.**

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency call 1-800-222-1222.

STORAGE AND DISPOSAL

Storage: Store only in original container, in a cool dry place inaccessible to children and pets.

Disposal: Do not reuse empty container (or packaging). Securely wrap in newspaper and discard in trash.

DIRECTIONS FOR USE:

It is a violation of the Federal Law to use this product
in a manner inconsistent with its labeling

TO KILL CLOTHES MOTH AND CARPET BEETLES

Use Restrictions: To kill clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g. chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. For use only on cloth containing wool or wool blends in fabrics.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

7/7

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above at the following rates:

Pounds of Product	Area of Tightly Enclosed Space
1/4	Average Garment Bag
1/3	Large Trunk
1	50 cubic feet (Small Closet)

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 8 feet high, 4 2 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 2 pounds of product ($96/50=1.9$).

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags, and closets 2 times a year.
