APR 7 2011

Paragon Household Product Inc.  
c/o Ag-Chem Consulting  
12208 Quinque Lane  
Chifton, VA 21024

Attention: Dr. Matthew Brooks

**Subject** Paragon Moth Balls  
EPA Reg. No. 70305-1  
Your application of January 4, 2011

**Purpose** The purpose of this submission is to revise your Confidential Statement of Formula (CSF) to reflect a new source of active ingredient and to revise the label for this product.

**CSF** You have submitted a revised CSF, dated January 4, 2011, which is acceptable. A copy has been placed in our files. All previous versions are obsolete.

**Label** The labeling submitted with the above letter, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, provided that you submit one (1) copy of final printed labeling to use, before you ship your product.

**Existing stocks** Stocks of product with existing labels may be used for eighteen (18) months.

**Consequence for non-compliance** If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

**Questions** If you have questions about this letter, please contact Dan Peacock at 703-305-5407 (by phone), 703-305-6596 (by fax), or [peacock.dan@epa.gov](mailto:peacock.dan@epa.gov) (by E-Mail).

---

Sincerely yours,

Venus Eagle  
Product Manager (01)

BACK LABEL:

### DIRECTIONS FOR USE

~~It is a violation of Federal law to use this product in a manner inconsistent with its labeling.~~

**Use Restrictions:** Kills Clothes moths, Carpet Beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventative chemicals. Paragon Moth Balls prevents moth infestation regardless of fabric type.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected.

**Application Directions:** The mothballs in this container can treat up to 37.5 cu. ft. (12 oz. container) [31.2 cu. ft. (10 oz. container); 21.9 cu. ft. (7 oz. container); 15.6 cu. ft. (5 oz. container); 2.5 cu. ft. (4 oz. container)].

One ounce of mothballs or 8 mothballs can treat up to 3 cubic feet of storage space. Examples of the amount of product required for proper treatment are listed below:

|                      |                                  |
|----------------------|----------------------------------|
| 4 oz. (32 mothballs) | Average Garment Bag (12 cu. ft.) |
| 5 oz. (40 mothballs) | Large Trunk (15 cu. ft.)         |

The proper treatment of larger volumes may require the use of larger containers of Paragon Moth Balls. To insure protection of your clothes, use the recommended amount of Paragon Moth Balls.

Distribute mothballs evenly around and between the folds of stored articles. Keep product in airtight space for a minimum of 7 days. If mothballs have dissipated, add additional mothballs to the container. Odor quickly vanished when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight closets, containers, and bags 2 times a year.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals.

#### WARNING

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

KEEP OUT OF REACH OF CHILDREN

**WARNING**

See back panel for additional precautionary statements.

Net Contents:           1 lb. (453.60g)  
                                  1 lb. 8oz. (630.39g)

Back Label:

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restriction:** Kills Clothes moths, Carpet beetles and their eggs and larvae in storage closets and in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventative chemicals. Paragon Moth Balls prevents moth infestation regardless of fabric type.

9  
10

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected.

**Application Directions:** The mothballs in this container can treat up to 50 cubic feet (16 oz. container), [75 cubic feet (24 oz. container)].

One ounce of mothballs or 8 mothballs can treat up to 3 cubic feet or storage space. Examples of the amount of product required for proper treatment are listed below:

|                      |                                  |
|----------------------|----------------------------------|
| 4 oz. (32 mothballs) | Average Garment Bag (12 cu. ft.) |
| 5 oz. (40 mothballs) | Large Trunk (15 cu. ft.)         |
| 16 oz.               | Small Storage Close (50 cu. ft.) |

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 2 pounds of product ( $96/50=1.9$ ). The proper treatment of larger volumes may require the use of additional containers of Paragon Moth Balls.

Distribute mothballs evenly around and between the folds of stored articles. Keep product in airtight space for a minimum of 7 days. If mothballs have dissipated, add additional mothballs to the storage closet or container. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight closets, containers, and bags 2 times a year.
