Subject: Label Amendment – Revising: Directions for Use, Claims Language,
Storage & Disposal statements and Adding Alternate Brand Name
Product Name: Paragon Moth Bars
EPA Registration Number: 70305-2
Application Date: September 2, 2015
Decision Number: 510626

Dear Dr. Brooks:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Use protective eyewear such as goggles or face shield. Harmful if absorbed through skin. Avoid contact with skin. Harmful if inhaled. Avoid breathing dust or vapor. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

PHYSICAL OR CHEMICAL HAZARD

Combustible. Do not use or store near heat or open flame.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center Network (NPIC) at 1-800-858-7378 for emergency medical treatment information.

STORAGE AND DISPOSAL		
PESTICIDE STORAGE	Store in the original container in a dry place inaccessible to children and pets.	
PESTICIDE DISPOSAL	IF Empty	Nonfillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available
	IF Partly Filled	Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

[Statement with ABN: 3 bars X 2 oz. (56.7g) = 6oz. (170.1g)]

Each box treats up to 12 cu. ft.

Net Wt. [2oz] or [6 oz] or [8 oz]

Made in India

DIRECTIONS FOR USE:

It is a violation of the Federal Law to use this product
in a manner inconsistent with its labeling

Remove product from packaging and cellophane wrapper. Be sure to thoroughly clean and/or brush clothing articles before storing. Use one Moth Bar for every 12 cubic feet of tightly enclosed closet space. Place Moth Bar in its plastic holder and hang in garment bag or over closet rod. As the Moth Bar chemical is used up, replace with a new one, Moth Bars odor quickly vanishes when article are aired out.

Note: Do not use or place in contact with plastic items such as storage containers. Chemical contained within the Moth Bars may damage some plastics. Paradichlorobenzene should not be mixed with other moth prevention chemicals.
