AUG 11 2011

Attention: Dr. Matthew Brooks

- Subject** **Paragon Moth Flakes**
EPA Reg. No. 70305-3
Amendment to Change Confidential Statement of Formula (CSF)
and to Revise Label
Your application of February 8, 2011
Your resubmission of August 10, 2011

- Purpose** The purpose of this submission is to revise your CSF and label for this product, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

- CSF** You have submitted a new CSF (Basic Formulation), dated February 7, 2011, and citations for data supporting a new basic, unregistered source of active ingredient. We have reviewed and found the data acceptable. A copy of your new CSF (Basic Formulation), February 7, 2011, has been placed in our previous versions are obsolete.

- Labeling** The labeling submitted with your resubmission of August 10, 2011, is acceptable, provided you submit one (1) copy of final printed labeling to us, before you ship your product.

- Existing stocks** Stocks of product with existing labels may be used for eighteen (18) months.

Questions If you have questions about this letter, please contact Dan Peacock at 703-305-5407 (by phone), or peacock.dan@epa.gov (by E-Mail).

Sincerely yours,

John Hebert

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

FIRST AID	
IF SWALLOWED:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF IN EYES:	Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency call 1-800-222-1222 .	

<p>NOTE TO PHYSICIAN</p> <p>Probable mucosal damage may contraindicate the use of gastric lavage.</p>

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container, in a cool dry place inaccessible to children and pets. Keep container closed and away from other chemicals.

Pesticide Disposal and Container Handling: Nonrefillable Container. Do not reuse or refill container.

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE:

It is a violation of the Federal Law to use this product in a manner inconsistent with its labeling

TO KILL CLOTHES MOTH AND CARPET BEETLES

IMPORTANT: Keep out of reach of children. Do not place in areas accessible to children.

Use Restrictions: To kill clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g. chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. For use only on cloth containing wool or wool blends in fabrics.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above at the following rates:

Pounds of Product	Area of Tightly Enclosed Space
1/4	Average Garment Bag
1/3	Large Trunk
1	50 cubic feet (Small Closet)

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 2 pounds of product (96/50=1.9).

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags, and closets 2 times a year.
