SUBJECT: December 5, 2003 amendment application
Irgasan DP-300R
EPA Registration 70404-2

Dear Mr. Barber:

The amendment referred to above, submitted in connection with registration of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable with the following conditions. The First Aid statement must be placed in the following order: If Inhaled, If Swallowed, If In Eyes, If On Skin. A copy of your most recently approved label is enclosed. Your request to add "For Formulating Use Only" and the other minor changes is acceptable.

A copy of your conditionally stamped accepted label is enclosed. If you have any questions regarding this letter, please contact me at (703) 308-8075.

Sincerely yours,

A handwritten signature in cursive script that reads "Tom Luminello".

IMPORTANT: Read the entire directions for use before using this product

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

USE DIRECTIONS: Irgasan DP-300R is a bacteriostatic agent for processing or manufacturing use only. Formulators using this product must obtain appropriate EPA registrations to support their products. Not for Diaper Laundry Application.

Please refer to the Technical Bulletin for information concerning uses.

STORAGE AND DISPOSAL

Store below 130°F. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from use of this product may be disposed of on site or at an approved waste facility. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration by state and local authorities. If burned stay out of smoke. Drum cannot be reused, dispose of in same manner.

For minor spills, shovel into an approved disposal container, vacuum contaminated areas. Avoid creating dusty conditions. Take special precaution to avoid contamination of equipment and facilities during cleanup procedures and disposal of wastes. In the event of a major spill, fire or other emergency, call 1-800-873-1138 day or night.

Precautionary Statements HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if inhaled. Do not breath dust. Wear a dust/mist mask or pesticide respirator approved by the Mine Safety and Health Administration or the National Institute for Occupational Safety and Health. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Remove contaminated clothing. Wash thoroughly with soap and water after handling

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and aquatic vertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

FIRST AID:

(3) **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

(4) **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

(2) **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by poison control center or doctor. Do not give anything by mouth to an unconscious person.

(1) **If inhaled:** Move person to fresh air. If not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact 1-800-873-1138 for emergency medical treatment.
