CONDITIONS OF SALE AND WARRANTY

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Ineffectiveness, or other unintended consequences may result because of such factors as presence of other materials, or the manner of use or application all of which are beyond the control of Ciba Specialty Chemicals or the Seller. All such risks shall be assumed by the Buyer. Ciba Specialty Chemicals warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. **Ciba Specialty Chemicals makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall Ciba Specialty Chemicals or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.** Ciba Specialty Chemicals and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Ciba Specialty Chemicals.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Read the entire directions for use and the conditions of sale and warranty before using this product. If terms are not acceptable, return unopened product at once.

USE DIRECTIONS: TINOSAN® AM110 is effective against non-health related organisms which may contribute to the deterioration of the treated product. The use of TINOSAN® AM110 extends the life of the treated compound and controls deterioration resulting from non-public health related organisms on treated articles. Finished products containing TINOSAN® AM110 may not make claims of antimicrobial activity other than the protection of the article itself against growth of bacteria and mold in or on the treated article.

- Do not use in the manufacture or treatment of items that may come in contact with food.
- Use only under an agreement with Ciba Specialty Chemicals Corporation.
- Do not use for the production of baby diapers or fiber for the production of baby diapers.
- Do not use for the production of health care products or products intended to decrease the transmission of disease (items regulated by the Food & Drug Administration).

The textile materials that this product can be used to treat are listed in the technical bulletin. Please refer to the TINOSAN® AM110 Antimicrobial Technical Bulletin for specific instructions on treating textile materials.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store in cool, dry area with adequate ventilation.

Ciba 

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control agency or the hazardous waste representative at the nearest EPA Region Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture, remove label, and dispose of in a sanitary landfill, or if allowed by state and local authorities, by burning. If burned, stay out of smoke. In the event of a major spill, fire or other emergency, call 1-800-873-1138 day or night.

Precautionary Statements Hazard to Humans and Domestic Animals

DANGER

Corrosive, causes irreversible eye damage and skin burns. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling.

First Aid:

If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If inhaled: Do not breath vapor or spray mist. Wear a mask or pesticide respirator jointly approved by the Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Remove contaminated clothing and wash clothing before reuse.

If on skin: Corrosive. Causes skin burns. Do not get in eyes or on clothing. Wear protective clothing and chemical resistant gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

Environmental Hazards:

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
