70404-5

Date of Issuance:
June 26, 2000

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance: Conditional

Name of Pesticide Product: Irgaguard B
1000

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Ciba Specialty Chemicals Corp
540 White Plains Road
Tarrytown, NY 10591-9005

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit one copy of the revised final printed label for the record changing the EPA File symbol 70404-L to EPA Registration Number 70404-5.
3. Line up the ingredients so that the percentages are in the same column.
4. Enlarge the type size for **Precautionary Statements** and **Hazard to Humans and Domestic Animals** (all CAPS and bold) and revise accordingly:
Harmful if inhaled. Do not breath dust, vapor, or spray mist. Wear a mask or pesticide respirator jointly approved by the Mine Safety and Health Administrator and the National Institute for Occupational Health and Safety. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Remove contaminated clothing. Wash thoroughly with soap and water after handling.
5. Add the NPDES statement under an **Environmental Hazard** (all CAPS and bold) heading under Precautionary Statements. See Label Review Manual @epa.gov/pesticides for text.
6. Under Statement of Practical Treatment (First Aid) add the following to If Inhaled: If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please send 2 Revised finished labels prior to shipment. Tom Luminello.

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY.

IMPORTANT: Read the entire directions for use and the conditions of sale and warranty before using this product. If terms are not acceptable, return unopened product at once.

Conditions of Sale and Warranty

The following supercedes any provision in your company's forms, letters and papers. Ciba Specialty Chemicals Corporation ("Ciba") warrants that this product conforms to the chemical the label and is reasonably fit for the purposes referred to in the Directions for Use. Ciba makes no other warranty, whether expressed or implied, including warranties of merchantability or for a particular purpose for this product. No statements or recommendations contained in literature are to be construed as inducements to infringe any relevant patent now or existence. Under no circumstances shall Ciba be liable for incidental, consequential or from alleged negligence, breach of warranty, strict liability or any other theory, arising out of the use or handling of this product. The sole liability for any claims arising out of the or sale of its products shall be for the buyers purchase price.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

IRGAGUARD B 1000 is an end-use (E.P.)* bacteriostatic agent for the manufacture of polymer/plastic and textile products only. Not for Diaper Laundry Application.

Please refer to Technical Bulletin for information concerning uses.

STORAGE AND DISPOSAL

Store below 130°F. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. Drum cannot be reused, dispose of in the same manner.

For minor spills, shovel into an approved disposal container; vacuum contaminated areas. Avoid creating dusty conditions. Take special care to avoid contamination of equipment and facilities during clean up procedures and disposal of wastes. In the event of a major spill, fire or other emergency, call (800) 873-1138 day or night.

PRECAUTIONARY STATEMENTS
