Baits Motel Ant Bait Stations are intended to kill common household ants (including: Carpenter, Ghost, Pharaoh, Crazy, Pavement and Argentine), and Fire ants.

How The Bait Works:

Foraging ants are attracted to the Baits Motel Ant Bait Station. Ants visiting the Bait Station become coated with fungal spores that germinate on their bodies. Once these and fellow ants come in contact with the fungal spores, they become infected and die within a few days.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not place baits where food is being prepared or on utensils that are used for food preparation. Do not place bait stations in areas accessible to children and pets. Do not remove bait material from the bait station.

Remove individual bait stations from the outer packages only when you are ready to use them. Immediately prior to use, puncture small entry holes where indicated on the bait station. Place individual bait containers near ant trails, where ants may enter your home, or near where ants are numerous -- such as under sinks, cupboards, refrigerators, stoves, drawers, shelves, toilets, hot water systems and washing machines. Do not interfere with bait station or ants while in use.

Bait is effective for 3 months after opening.

STORAGE AND DISPOSAL

PESTICIDE STORAGE

Store in original container in a cool, dry place, away from sunlight and out of the reach of children and pets.

PESTICIDE DISPOSAL

Do not contaminate water, food or feed by disposal.

Dispose of used baits by wrapping the containers in paper and placing in trash collection.

NOTICE OF WARRANTY

To the extent required by law, GlycoGenesys, Inc. warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with the label directions. GlycoGenesys, Inc. makes no other express or implied warranties either of merchantability or fitness for a particular use. GlycoGenesys, Inc. shall not be liable for misuse or conditions beyond its control, such as handling and storage. GlycoGenesys, Inc. shall not be liable for ineffectiveness or other unintended consequences resulting from, but not limited to, failure to follow label directions.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
