Dear Ms. Miller:

In connection with the recent transfer of registrations from AgValue to United Phosphorus, UPI is submitting the attached Notifications to accomplish these actions for the subject products:

- remove "AgValue" from the product names;
- add CHEMTREC contact information to the main panel;
- update all AgValue information to United Phosphorus; and
- add warranty language.

In support of the changes, enclosed please find:

- one copy of each label, marked to show changes, and
- EPA form 8570-1 for each product.

Also enclosed for your files is a copy of a Confidential Statement of Formula for each of the products. These CSFs are the most recently approved versions already in Agency files, with the only changes being the company name and EPA Registration Number.

Please contact me if you have any questions.

Very truly yours,

Rebecca A. Clemmer
