Product Name: Penncozeb 4FL Flowable Fungicide
EPA Reg. No.: 70506-194
Subject: Amendment dated 7/30/2012
EPA Decision Number: 468609

Dear Ms. Clemmer:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable provided the following change is made:

1. For both the Pepper and Lettuce supplemental labels, revise the first statement under the EPA Reg. No. to read "This supplemental label expires on March 14, 2014 and must not be used or distributed after this date."

One copy of the label stamped "Accepted with comments" is enclosed for your records. Please submit one copy of the final printed label before the product is released for shipment.

If you have any questions, please contact Erin Malone at (703) 347-0253 or via email at malone.erin@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary L. Waller".

Supplemental Label

PENNCOZEB® 4FL Flowable Fungicide

EPA Reg. No. 70506-194

This supplemental label expires on _____ and must not be used or distributed after this date.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT

Read the label affixed to the container for PENNCOZEB 4FL Flowable Fungicide before applying. Carefully follow all precautionary statements and applicable use directions.

This Supplemental Label contains new or supplemental instructions for use of this product which do not appear on the package label. Follow the instructions carefully.

This labeling must be in the possession of the user at the time of pesticide application.

Read the Limitation of Warranty and Liability on the container labeling before buying or using PENNCOZEB 4FL Flowable Fungicide. If terms are not acceptable, return the unopened package at once to Seller for full refund of purchase price paid. Otherwise, use by Buyer or any other User constitutes acceptance of the terms of the Limitation of Warranty and Liability on the container label.
