Subject: Cuprofix Ultra 40 Disperss
EPA Reg. No. 70506-201
Amendment dated 3/12/2013 to add use on cilantro
EPA Decision No. 476852

Dear Ms. Hutcheson,

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended, to add use directions for cilantro, is acceptable, providing you 1) submit two copies of a final printed label that changes the expiration date to 4/15/2016; and 2) submit a label amendment which incorporates this change into the master label within 18 months from the date of this letter. A copy of the supplemental label, stamped "Accepted", is enclosed for your review.

If you have any questions, please contact Kaitlin Keller by phone at (703)-308-8172 or via email at keller.kaitlin@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kaitlin Keller" followed by a small flourish.

Tony Kish

Enclosure: Supplemental Label stamped "Accepted"

Supplemental Label

Cuprofix[®] Ultra 40 Disperss[®]

Dry Flowable Fungicide/Bactericide

EPA Reg. No. 70506-201

This Supplemental Label Expires on March 12, 2016.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Follow all applicable directions, restrictions and precautions on the federally-registered label.

This Supplemental Label contains new or supplemental instructions for use of this product which do not appear on the package material. Follow the instructions carefully.

This label and product label must be in the possession of the user at the time of pesticide application.

Read the Limitation of Warranty and Liability on the container labeling before buying or using this product. If terms are not acceptable, return the unopened package at once to Seller for full refund of purchase price paid. Otherwise, use by Buyer or other User constitutes acceptance of the terms of the Limitation of Warranty and Liability on the container label.
