JUL 18 2012

Dear Ms Clemmer

SUBJECT Manzate Flowable Fungicide
 EPA Registration Number 70506 236
 Your submission of March 19 2012
 OPPIN Decision Number D463101

The supplemental labels referred to above submitted in connection with registration under section (3) of the Federal Insecticide Fungicide and Rodenticide Act as amended are acceptable provided the supplemental labels are incorporated into the master label within 18 months or at the next label printing whichever comes first and provided you make the following changes

- 1 For both supplemental labels immediately above the Directions for Use heading change This supplemental label expires on March 31 2014 to This supplemental label expires on March 31 2014 and must not be used or distributed after this date
- 2 For both supplemental labels immediately below the Directions for Use heading delete Manzate Flowable Fungicide must be used only in accordance with the use directions on this label
- 3 For the lettuce label delete the second period at the end of the In states other than California section under the Restrictions column
- 4 For the pepper label delete the sentence Minimum preharvest interval is 7 days

Should you wish to add/retain a reference to the company's website on your label please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E) 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition regardless of whether a website is referenced on your product's label claims made on the website may not substantially differ from those claims approved through the registration process.

Therefore should the Agency find or should it be brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration the website will be referred to the EPA's Office of Enforcement and Compliance Assurance

As an alternative to referring to the website on your label you may refer consumers to the company's phone number or e-mail address

Please submit one copy of the final printed supplemental labeling before the product is released for shipment. A stamped copy of the label is enclosed for your records. If you have any questions please contact Lisa Jones on my team at (703) 308 9424 or jones.lisa@epa.gov

Sincerely

Mary L. Waller
