

POWER Herbal Disinfectant meets AOAC Use-Dilution test standards for hospital disinfectants. It kills Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa. As a virucidal, it kills Herpes Simplex Type 1 and Vaccinia on environmental surfaces.

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. POWER Herbal Disinfectant is designed for effective deodorizing and disinfection of hard inanimate surfaces such as walls, sink tops, tables, bathroom fixtures, and telephones.

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Surface Disinfectant: Apply POWER Herbal Disinfectant with a mop, cloth, sponge or pump spray so as to thoroughly wet precleaned surfaces. Do not dilute. Allow surfaces to remain wet for 10 minutes. To remove disinfectant, wait 10 minutes, then use a clean cloth or sponge and wipe on controlled area.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. **Container Disposal:** Do not reuse empty container. Rinse container thoroughly before discarding in trash or offering for recycling.

PRECAUTIONARY STATEMENTS

Hazards To Humans and Domestic Animals

Warning: Causes eye and skin irritation. Harmful if swallowed. Do not get in eyes, on skin or on clothing. If swallowed: Drink large quantities of water. Do not induce vomiting. Avoid alcohol. Contact a physician or the Poison Control Center immediately. If in eyes, rinse with large quantities of water for at least 5 minutes. Seek medical assistance. If on skin: Remove and wash contaminated clothing before reuse. Rinse skin with copious amounts of water. If irritation persists, seek medical assistance.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130F may cause bursting.

HERBAL INGREDIENTS

Extracts of Giant Knotweed Root, Licorice Root, Paris Root, Magnolia Flower, Prunella Herb, Epimedium Herb and Melaleuca Leaf.
