Subject: Notice of Extension of Conditional Registrations for Multiple Products

Dear Dr. Johnson:

This letter is in reference to your requests dated 10/30/2017 to extend the following conditional time-limited registrations:

Product Name	EPA Reg. No.	Application Date	Decision No.	New Expiration Date
EasySpot For Cats	70585-11	10/30/2017	535486	12/12/19
Parastar For Dogs	70585-12	10/30/2017	535487	12/12/19
Parastar Plus For Dogs	70585-13	10/30/2017	535488	12/12/19

The above-referenced registrations contain conditions calling for the registrations to expire two years from the date the products are first released for shipment. Additionally, your company is required to adhere to the spot on label mitigation, submit quarterly enhanced incident reports and quarterly sales information for each of the above registrations.

The Agency has found Elanco in compliance with the terms and conditions for the subject products. As such, the following change is being made to the terms and conditions of the products listed above:

- **The 2-year time-limited registration restriction has been extended an additional two (2) years. Therefore, the new expiration dates for the subject product registrations is now 12/12/19 for EPA Registration Numbers 70585-11, 70585-12, and 70585-13.**

Please note that these products are still subject to all other previous required conditions of registration. If you have any questions, you may contact Julie Breeden-Alemi, DVM at 703-347-0511 or via email at Breeden-Alemi.Julie@epa.gov.
