Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Revise the EPA Registration Number to read, "EPA Reg. No. 70627-5".

3. Labeling Comments:

The proposed labeling is Acceptable, however you must revise the following claims which are too broad:

- A. "Kills germs" to "Kills germs such as (list actual tested bacteria)..."
- B. "Kills bacteria in one minute!" to "Kill bacteria such as (List actual tested bacteria)...in one minute!"
- C. "Kills Dangerous (Troublesome) Bacteria in 1 Minute" to "kills Dangerous Bacteria such as (List actual tested bacteria)...in 1 minute."
