**DIRECTIONS FOR USE:**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Preparation:** Fill sanitizer container with 5 quarts of warm water (100°F) before adding contents of (this) (one) package (1/2 oz.) and allow to stand five (5) minutes before using.

**To Use on Food Contact and Non-Food Contact Surfaces:**

1. Always remove heavy soil from all surfaces by a pre-scrape, pre-flush or pre-soak treatment. Then pre-wash all surfaces with a detergent solution followed by a rinse with potable water.
2. Sanitize by wiping or swabbing surfaces with a solution prepared as stated above. Allow solution to remain on food contact surfaces one (1) minute, non-food contact surfaces five (5) minutes. Then air dry.
3. Store cloths or sponges in sanitizing solution between uses during each 8-hour shift. Clean and rinse cloths or sponges frequently in sanitizing solution.
4. Always prepare a fresh sanitizing solution and use on the same day. Periodically determine chlorine level with a supplied test strip. Change solution when testing indicates levels below federal, state or local regulations.

**STORAGE AND DISPOSAL**

Keep tightly capped and store in dry, well-ventilated area away from chemicals, heat or open flame. Avoid contamination with food. Do not re-use empty container. Rinse container thoroughly and dispose in trash.

*(For pouches only:)*

(See outer carton for storage and disposal instructions.) Store in dry, well-ventilated area away from chemicals, heat or open flame. Avoid contamination with food. Rinse empty pouch thoroughly and dispose in trash.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER. Powder is corrosive to eyes.** Causes eye and skin damage. Do not get powder in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Do not breathe dust. Wash hands thoroughly with soap and water after handling.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE.

1-800-851-7145

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

**Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.
