2. On page 6, under the "For Use For Treatment of Animal Housing Facilities:" directions, revise the #6 statement to read "Ventilate buildings and other closed spaces. Do not house animals or employ equipment until product has dried."
3. On page 8, revise the First Aid Statements by including the following statement: "Call a poison control center or doctor for further treatment advice." This statement is to be placed following the "IF ON SKIN OR CLOTHING" section of the First Aid Statements.
