70627-42

Date of Issuance:

February 22, 2001

Term of Issuance: **Conditional**

Name of Pesticide Product:

**Johnson Wax Professional
Total Release Fogger**

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

SC Johnson Commercial Markets, Inc.
8310 16th Street.
PO Box 902. MS 675
Sturtevant, WI 53177-0902

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
 - a) Revise the EPA Registration Number to read "EPA Reg. No. 70627-42"
 - b) The term "Professional" can be retained on your label provided the product is marketed only to commercial/professional applicators. Otherwise, delete from labeling.

- c) Please revise your First Aid statement per PR Notice 2001-1 as follows:

“IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.”

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.

Also, please remove your statement of “Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals” to your “Hazards to Humans and Domestic Animals” section.

- d) Per PR Notice 98-6, in your “Directions for Use” please bold the sentence “Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e. refrigerator, thermostats, etc.)”. Additionally, please use bold lettering wherever the product you cited has used it.
- e) We could not find any efficacy data in your file or in the file of the product your cited to support your roach, fleas, houseflies, ticks, mosquitoes, wasps, hornets, and yellow jackets claims. Please submit or cite (with MRID numbers) the appropriate efficacy data for these pests or remove them from your label.
3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Tracy Keigwin of my team at (703) 305-6605.

Sincerely,

George T. LaRocca

registration number EPA Reg. No.

70627-42

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

1. OPEN cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before spraying. Turn off air flow systems in aquariums. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger (newspaper may be used).
2. CLOSE outside doors and windows. DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e. refrigerator, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.
3. Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper, paper towels or plastic tarp.
4. SHAKE CAN WELL. Tilt sprayer AWAY from face (container sprays straight up). Press tab down in locked position.
5. Set fogger on covered stand. Immediately leave treated area.
6. Keep treated area closed for at least two hours. Before reoccupying area, open all doors and windows and allow treated area to air for 30 minutes.

In the home, remove or cover exposed foods, dishes, utensils or wash thoroughly before use. Do not use in serving areas while food is exposed. Do not use in the food/feed areas of Commercial Food/Feed Handling Establishments, Restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Non-food/feed areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, closets, and storage (after canning or bottling). Apply this product only as specified on this label. Re-treat as needed.

STORAGE & DISPOSAL

Store and use at room temperature.

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not re-use empty container. Wrap container and put in trash. Do not puncture or incinerate.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. Do not remain in enclosed area after use. Stay out of room, being treated for at least two hours. Ventilate enclosed area before returning. Avoid contamination of food and foodstuffs. All food preparation surfaces should be covered during application. Apply only when no food is being prepared. Remove pets and birds, cover and turn off fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

Extremely flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
