Term of Issuance:

Unconditional

Name of Pesticide Product:

Confuse-TPW

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Ms. Wendy Anderson
Agrium U.S., Inc.
4582 Ulster Street, Suite 1400
Denver, CO 80237

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes below before you release the product for shipment:

a). Revise the EPA Registration Number to read, "EPA Reg. No. 70724-6 "

b). Correct the following typographical errors:

-Remove the "0" following the word "impurities" in the ingredient statement.

Signature of Approving Official:

Date:

June 9, 1999

EPA Reg. No. 70724-6

-Revise your statement of practical treatment ("induce vomiting by touching back of throat...")

-Revise your Agricultural Use Requirements Section ("40 CFR part").

-Under Directions for Use, complete the sentence that starts with "Monitor treatments carefully, especially for secondary..."

-Revise your pesticide disposal statement to read "may be disposed of on site.."

If possible, we recommend locating the User Safety Recommendations near the Agricultural Use Requirements Section.

3. Submit five (5) copies of the revised final printed labeling for the record.

If these conditions are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

A stamped copy of the label is enclosed for your records.

Sincerely,

Janet L. Andersen, Ph.D.

Director

Biopesticides and Pollution

Prevention Division (7511C)

**PRECAUTIONARY STATEMENT
HAZARD TO HUMANS AND DOMESTIC
ANIMALS**

CAUTION

Causes moderate skin and eye irritation. Avoid contact with skin, eyes, or clothing.

Wash hands thoroughly with soap and water after handling.

Do not apply this product in such a manner as to directly expose workers or other persons. The area being treated must be vacated by unprotected persons.

Applicators and other handlers must wear long-sleeved shirt and long pants, shoes, socks, hat, and gloves.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high-water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

DIRECTIONS FOR USE

It is a violation Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State and Tribe, consult the agency responsible for pesticide regulation.

RECOMMENDED APPLICATION: Confuse-TPW is intended for controlling the tomato pinworm (*Keiferia lycopersicella*) by disrupting the mating of adult moths. For use on tomatoes where the tomato pinworm is a pest, apply at a rate of 400 grams (20.0 grams of Active Ingredient equivalent) of formulation per acre (50 grams AI/hectare, 1.0 kg formulation/hectare). Apply Confuse-TPW early in the season or immediately after the first moth is detected in pheromone baited traps. Reapply Confuse-TPW as needed, based on local conditions, monitoring results, and field scouting. Do not exceed a total of 150 grams of Active Ingredient per acre per year.

AGRIUM

CONFUSE-TPW

For Mating Disruption of
the Tomato Pinworm
Keiferia lycopersicella

ACTIVE INGREDIENTS:

E-4-Tridecen-1-yl Acetate (94.0%) } 5.00%
Z-4-Tridecen-1-yl Acetate (4.0%) }

ACTIVE INGREDIENT IMPURITIES 0.2%

OTHER INGREDIENTS: 94.8%

KEEP OUT OF REACH OF CHILDREN

CAUTION

Read Directions and Precautionary
Statements Before Use

STATEMENT OF PRACTICAL TREATMENT

If in eyes: Flush with plenty of water. Call physician if irritation persists.

If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back or throat with finger. If person is unconscious, do not give anything by mouth or do not induce vomiting.

Net Content: _____ kgs

EPA Reg. No: 70724

EPA Est. No. 24909-CA-1

DIRECTIONS FOR USE (Continued)

Apply Confuse-TPW evenly throughout the acreage to be treated. Apply the material on the plant foliage or on the support poles. For example, it is suggested that 200 deposits of 2.0 grams of Confuse-TPW be placed per acre (500 deposits of 2.0 grams/hectare).

Confuse-TPW should be applied in short toothpaste-like strips directly on the tomato plants or on the plant support poles. Several types of application devices are acceptable for dispensing this product in the field, e.g. forestry paint marking guns, paint ball guns, grease guns, etc. Therefore, the private or commercial applicator in charge of field applications will instruct as to the number of deposits per plant and the number of plants per acre (hectare) necessary to treat to acquire the desired dosage per acre of the active ingredient.

Wash hands after applications. Do not handle other types of insect lures before or after lure placement without thoroughly washing hands. Monitor treatments carefully, especially for secondary.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE). The requirements in this box apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during application of this product. A restricted entry interval of 0 hours has been established.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

STORAGE:

Store in a cool well ventilated area. Protect from ignition sources. Avoid contact with high temperatures, acids, bases. Store sealed and refrigerated to prevent loss of product.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product may be disposed of on-site or at an approved waste facility.

CONTAINER DISPOSAL:

Completely empty the container. Then, dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
