Subject: Pesticide Registration Improvement Act (PRIA) Labeling and Formulation Amendment – Changing the inert ingredients, updating company name, removing alternate brand name “Industrial Insect Repellent”, revising an optional claim statement to read: “Insect Repellent formulated as an odorless body lotion with the active ingredient IR 3535© to be used on exposed skin of outdoor industrial workers”, modifying precautionary statements and direction for use, and adding additional optional label claims.
Product Name: Bug Repell IR3535 10% Lotion
EPA Registration Number: 70759-2
Application Date: May 20, 2016
OPP Decision Number: 517818

Dear Mr. Schneider:

The amended labeling and Confidential Statement of Formula (CSF) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

Please note that the record for this product currently contains the following acceptable CSF:

- Basic CSF dated 05/25/2016

Any CSFs other than those listed above are superseded/no longer valid.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may

distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Menyon Adams of my team by phone at (703) 347-8496 or via email at adams.menyon@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Andrew C. Bryceland". The signature is fluid and cursive, with the first name being the most prominent.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS- Warning: For external use only. Causes substantial but temporary eye injury. Do not get in eyes. Discontinue use and consult a doctor if irritation or rash occurs.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

REPELLENCY- REPELS MOSQUITOES AND TICKS FOR UP TO 8 HOURS [optional front and back panel]

Apply liberally and evenly over dry, exposed skin. Do not apply over cuts, wounds, freshly shaven or irritated skin. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. After returning indoors, wash your child's treated skin and clothes with soap and water or bathe. **FOR CONTINUED PROTECTION:** reapply about every 8 hours or sooner if effectiveness is diminished; not to exceed 3 applications per day.

STORAGE AND DISPOSAL

Storage: Store in cool dry place away from heat or flame. Always store insect repellents safely out of the reach of children.

Disposal:

If Empty: Nonrefillable Container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Expiration (date).

Optional Label Claims:

Use only as directed.

Avoid contact with plastics, costume jewelry, leather and synthetic fibers.

May damage painted or varnished surfaces, including nail polish.

DEET free

DEET alternative

Complete protection against mosquitoes and ticks for up to 8 hours

Effective, dependable protection

Protection [you can count on for up to 8 hours] [from mosquitoes that may carry (transmit) (Zika), (chikungunya), (dengue fever), (West Nile), (malaria), (yellow fever), (and) (encephalitis)]

Repels mosquitoes that may carry (transmit) (Zika) (chikungunya) (dengue fever) (and) West Nile (for up to 8 hours)

Helps to repel mosquitoes and ticks that can transmit vector-borne diseases such as Zika, chikungunya, dengue fever, West Nile, malaria, yellow fever, encephalitis, and Lyme disease

Ticks can transmit Lyme disease

Mosquitoes can transmit diseases like Zika, chikungunya, dengue fever, West Nile, malaria, yellow fever, and encephalitis
