Nicole Perkinson
Authorized Representative for EMD Performance Materials Corporation
c/o Toxcel
Toxicology & Regulatory Affairs
7140 Heritage Village Plaza
Gainesville, VA 20155-3061

Subject: PRIA (Pesticide Registration Improvement Act) Labeling and Formulation Amendment
Updating Basic Confidential Statement of Formula (CSF), Manufacturing Process,
Physical/Chemical Properties, DEET Rationale and Product Label.
Product Name: Bug Repell IR3535 20% Aerosol
EPA Registration Number: 70759-4
EPA Receipt Date: 08/22/2023
Action Case Number: 00488936

Dear Nicole Perkinson:

The amended labeling and Confidential Statement of Formula (CSF) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

Please note that the record for this product currently contains the following acceptable CSF:

- Basic CSF dated 08/10/2023

Any CSFs other than that listed above are superseded/no longer valid.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised

labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 § CFR 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency. If the website is false or misleading, the product will be considered to be misbranded, and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Menyon Adams by phone at (202) 566-1604 or via email at adams.menyon@epa.gov.

Sincerely,

A handwritten signature in blue ink, reading "Andrew C. Bryceland".

Andrew Bryceland, Team Leader

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS-Warning: For external use only. Causes substantial but temporary eye injury. Do not get in eyes. See Directions for Use for face application. Discontinue use and consult a doctor if irritation or rash occurs.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Repellency.] [Repels] [mosquitoes] [and] [ticks] [for] [up to] [8 hours.] {Optional text on front or back panel}

To apply to skin: [Hold container 6 to 8 inches from skin and spray with a slow sweeping motion evenly over exposed skin.] [Apply liberally and evenly over dry exposed skin.] {Note: Use one of the two statements in brackets.} Do not apply over cuts, wounds, freshly shaven or irritated skin. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. After returning indoors, wash your child's treated skin and clothes with soap and water or bathe.

To apply to face: [Spray palm of hand and rub on.] [Apply product to the palm of your hand and [rub] [wipe] on face.] {Note: Use one of the two statements in brackets.}

For continued protection: Reapply about every 8 hours or sooner if effectiveness is diminished; not to exceed 3 applications per day.

STORAGEANDDISPOSAL

Storage:

Store in cool dry place away from heat or flame.

Disposal:

If Empty: Nonrefillable Container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If Partly Filled: [Call your local solid waste agency] [or] [call 1-800-CLEANUP] [Call 1-XXX-XXX-XXXX] for disposal instructions. Never place unused product down any indoor or outdoor drain.

{Optional Label Claims:}
