	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Biopesticides and Pollution Prevention Division (7511P) Ariel Rios Building 1200 Pennsylvania Ave., NW Washington, D.C. 20460	EPA Reg. Number: 70787-1	Date of Issuance: 12/27/06
	NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration (under FIFRA, as amended)	Term of Issuance: Conditional	
		Name of Pesticide Product Beauveria bassiana HF23	
Name and Address of Registrant (include ZIP Code): JABB of the Carolinas 456 E. Main Street, P.O. Box 310 Pine Level, NC 27568			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>The registration application referred to above, submitted in connection with registration under § 3(c)(7)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you comply with the following terms and conditions:</p> <ol style="list-style-type: none">1. Submit final printed labels before releasing the products for shipment.2. Analyses of 5 batches are required at production and must include data relevant to detection, identification, enumeration and rejection limits of metabolites and potential human pathogens (bacterial and fungal), using quality control and assurance methods to be used during large scale production. Batch analysis must also include:<ol style="list-style-type: none">(i) certifications of limits;(ii) analysis and quantification of metabolites and other unintentional ingredients;(iii) identification and enumeration of potential human pathogens;(iv) storage stability; and(v) viability data. <p>Batches containing more than 10^4 cfu/g <i>Bacilli</i> contaminants, or other unintentional ingredients, or metabolites which are of toxicological levels and concern, and which exceed quality assurance and quality control levels, must be destroyed.</p> <p>The data from production batches listed above will be a condition of registration and must be submitted within 18 months of the date of this conditional registration action.</p>			
Signature of Approving Official: 		Date: 12/27/06	

3. The subject registration will automatically expire on midnight June 30, 2009. This expiration date allows time for review of data submitted under term and condition two (2), above.
4. Submit/cite all data required for registration of your product under FIFRA § 3(c)(5) when the Agency requires registrants of similar products to submit such data.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have any further questions do not hesitate to email Shanaz Bacchus at bacchus.shanaz@epa.gov or call her on 1-703-308-8097.

A copy of the stamped label is enclosed for your records.

Sincerely,

Janet Andersen, Ph.D., Director
Biopesticides and Pollution Prevention Division (7511P)

PRECAUTIONARY STATEMENTS

This product is a potential inhalatory sensitizing agent. Dust may cause respiratory irritation. Handlers must wear cup-style or cartridge style dust/mist filtering respirators with NIOSH N-95, R-95 or P-95 or MSHA Prefix TC-21C. Pesticide handlers must wear long sleeved shirts and pants. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists.

USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using toilet.
- Remove clothing immediately if pesticide gets inside. Then clean thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

FIRST AID		
SKIN CONTACT		Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.
EYE CONTACT		Flush eyes copiously with water. If irritation persists, consult a physician.
INHALATION		Potential sensitizing agent. Harmful if inhaled. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

DIRECTIONS FOR USE

For formulation into an end-use insecticide only. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL	
Do not contaminate water, food or feed by storage or disposal.	
STORAGE:	Store in a cool, dry place. Do not store at temperatures exceeding 80° F (27° C). Do not contaminate water, food, or feed by storage and disposal.
PESTICIDE DISPOSAL:	Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL:	Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Limited Warranty/Disclaimer

Manufacturer warrants that this product is suited for the labeled use when applied according to label directions. Manufacturer makes no warranty of merchantability. To the extent required by state law, there are no warranties that extend beyond the description on this label and in no event shall manufacturer be liable for any consequential damages.
