San Jose, CA 95110-1015

Dear Ms. Hoffman:

Subject: Revised labeling, basic Confidential Statement of Formula and
Change product name
ECOTRU™
EPA Registration No. 70791-1
Your submission of May 25, 2000

The Labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of the product bearing the amended labeling. A stamped copy is enclosed for your records.

Delete the statement "NO EYE OR SKIN IRRITATION" and the toxicity Category IV for the labeling. Any statement concerning the effectiveness of a product as a pesticide is considered false or misleading.

The revised basic Confidential Statement of Formula (CSF) dated May 26, 2000, submitted with respect to registration under Federal Insecticide, Fungicide, and Rodenticide Act, as amended, meets the requirements of PR 91-2. The nominal concentration of the active ingredient given in the Basic Formulation CSF agreed with the percentage declared on the label. The revised CSF is acceptable provided that you provide the source of the water in item 11 of the CSF e.g. municipal water, well water, deionized water etc. A copy has been inserted in your file for the subject product.

CONCURRENCES

SYMBOL								
SURNAME								
DATE								

Submit two copies of your final printed labeling before you release the product for shipment.

It is understood that the new basic CSF dated May 26, 2000 will supersede the previously accepted one.

Sincerely yours,

For Adam Heyward

ECOTRU™

Ready-To-Use Disinfectant DISINFECTS IN 30 SECONDS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ECOTRU™ is formulated as a ready-to-use disinfectant bactericide, cleaner, deodorizer solution. ECOTRU™ is ready-to-use and requires no further dilution. *It works in as little as 30 seconds.*

ECOTRU™ has been evaluated under AOAC efficacy methodology and found to be effective against a broad spectrum of gram negative and gram positive organisms as represented by: *Pseudomonas aeruginosa, Salmonella choleraesuis, and Staphylococcus aureus.* *This product is not to be used as a terminal sterilant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enters normally sterile areas of the body.*

EnviroSystems, Inc.

NO EYE or SKIN IRRITATION Tox Category IV

For hospitals, medical and dental offices, clinics, schools, public rest rooms, restaurants, food storage areas, kitchens, hotels, transportation terminals, and other institutional and industrial use [e.g. mfg. or processing plants or commercial buildings]: ECOTRU™ delivers cleaning and bactericidal effectiveness against *Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, and similar microorganisms.* AOAC Use Dilution tests were conducted to confirm ECOTRU's™ effectiveness.

For household use: ECOTRU™ is an anti-bacterial cleaner and disinfectant. It may be applied to household surfaces.

AOAC efficacy tests were conducted to confirm ECOTRU's™ effectiveness and toxicology tests were conducted to confirm that ECOTRU™ does not cause eye or skin irritation.

THIS PRODUCT MUST BE USED BY:

P.O. Box 641593, San Jose, CA 95154-1593
