UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

-1/6

JUN 25 2003

Environ International, Ltd.
410 Leonard Blvd. N.#3
Lehigh Acres, FL 33971

Attention: Frederick Richter, President

Subject: Environ 4H2O
EPA Registration No. 70845-1
Notification Dated June 5, 2003

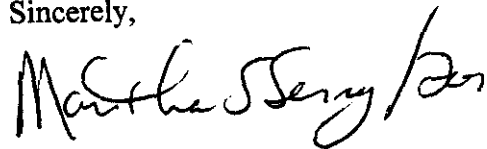

This will acknowledge receipt of your notification to include the additional brand name "Rain Forest Blue", submitted under the provisions of FIFRA Section 3(c)9. Based on a review of the submitted material, the following comments apply.

The Notification is in compliance with PR Notice 98-10 and is acceptable. This information has been made a part of your file.

However, on the "Rain Forest Blue" label, the term "Chlorine and Bromine FREE" and "Rain Forest Blue(RFD) is a direct replacement for chlorine and bromine & is used swimming pools" are not permissible and must be deleted.

If you have any questions concerning this letter, please contact Martha Terry at (703) 308-6217.

Sincerely,

Marshall Swindell
Product Manager (33)
Regulatory Management Branch 1
Antimicrobial Division (7510C)

Left Panel of Label

RAIN FOREST BLUE (RFB) is used to control bacteria and algae in potable water supplies including hot tubs, spas and swimming pools.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Start with a clean spa and filter. Balance the Total Alkalinity and pH of the spa water as necessary. Apply 3 teaspoons **RFB** per 250 gallons spa water to yield 0.6-0.8 ppm copper. Do not overdose. (Test and adjust for balanced water and copper content with **RFB** 3-way test strips.) Test weekly and adjust as needed to maintain balanced levels of Total Alkalinity and pH. Maintain, test, and adjust water hardness with Hardness Increaser and Hardness Test Strips as needed. Shock spa water weekly with non-chlorine (MPS) shock per shock label directions. Drain and refill spa every 3-4 months.

STORAGE AND DISPOSAL

Pesticide Storage: Application, handling, or storage equipment **MUST** consist of fiber, fiberglass, PVC's polypropylene, viton, most plastics, aluminum, or stainless steel. Never use mild steel, nylon, brass, or copper around full strength **RFB**. Always rinse equipment free and clean of Rain Forest Blue with plenty of fresh clean water. Always store **RFB** above 32 degrees F.

Pesticide Disposal: **RFB** should be disposed of through use. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not reuse container. Wrap (container) and put in trash.

PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

Danger: Corrosive, causes irreversible eye damage. Do not get in eyes or on clothing. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID (Statement Of Practical Treatment)

If In Eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

If Swallowed: Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, eggwhites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

If On Skin: Wash with plenty of soap and water. Get medical attention.

LIMITED WARRANTY AND LIMITATION OF REMEDIES

Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label for use under normal conditions, but makes no other warranties or FITNESS OF MERCHANTABILITY expressed or implied or any other warranty if the product is used contrary to the label instructions, or under normal conditions not foreseeable to the seller. In no case shall the seller be liable for more than the cost of this product to the buyer, and will in no event be liable for any consequent, special or indirect damage connected with the use or handling of this product. This product is offered and the buyer or user accepts it subject to the foregoing terms.

8 FL OZ

EPA Est. No. 70845-FL-001 Non-Flammable

Rain Forest Blue (RFB) is used to control bacteria & algae in potable water supplies including hot tubs, spas & swimming pools.

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Start with a clean spa & filter. Balance the Total Alkalinity & pH as necessary and apply 3 hearseps RFB per 250 gallons spa water to yield 0.6-0.8 ppm copper. Do not overdose. RFB is a wettable powder & copper content with RFB 3-day test strips. Test weekly & adjust as needed to maintain balanced levels of Total Alkalinity & pH. Monitor test & adjust water hardness with Hardness Increaser & Hardness Test Strips as needed. Shock spa water weekly with non-chlorine (NPS) shock per stock label directions. Drain and refill spa every 3-4 months.

Precautionary Statement: Hazardous to Humans and Domestic Animals.
Danger: Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear goggles, face shield, or safety glasses. Harmful if swallowed, inhaled or absorbed through skin. May cause allergic skin response. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing & wash before reuse.

Statement of Practical Treatment: In case of eye contact, flush with plenty of water for at least 15 minutes and CALL A PHYSICIAN. If accidental ingestion occurs drink large amounts of milk, egg whites or plain solution, if these are not available drink large quantities of water. Avoid alcohol. Call a physician or Poison Control Center.

Storage and Disposal: Application, handling or storage equipment MUST be cleaned of either this, fiberglass, PVC's, polypropylene, when metal plastics or stainless steel. Never use mild steel, nylon brass, aluminum or copper around RFB. Always rinse equipment free & clean of RFB with plenty of fresh clean water. Always store RFB above 32 degrees F.

Pesticide Disposal: Excess RFB should be disposed of through use. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not re-use empty containers. Dispose empty containers in a sanitary landfill or by incineration. Stay out of smoke.

Limited Warranty and Limitation of Remedies:
 Seller warrants that the product conforms to the chemical description and is reasonably fit for the purposes stated on the label for use under normal conditions, but makes no other warranties or FITNESS OF MERCHANTABILITY expressed or implied, or any other warranty if the product is used contrary to the label instructions, or under normal conditions not foreseeable to the seller. In no case shall the seller be liable for more than the cost of this product to the buyer and will in no event be liable for any consequent, special or indirect, damage connected with the use or handling of this product. This product is offered and the buyer or user accepts it subject to the foregoing terms.
