UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

1/2

NOV 13 2003

Environ Intercontinental, Ltd.  
410 Leonard Blvd. N. #3  
Lehigh Acres, FL 33971

Attention: Frederick Richter, President

Subject: Rain Forest Blue  
EPA Registration No. 70845-1  
Resubmission Letter Dated September 23, 2003

This will acknowledge receipt of your letter under the Notification process to delete the sentence "Chlorine and Bromine Free.....swimming pools", submitted under the provisions of FIFRA Section 3(c)(9). Based on a review of the submitted material, the following comments apply.

The Notification is in compliance with PR Notice 98-10 and is acceptable. This information has been made a part of your file.

Please note that this letter is in response to the Agency's letter dated June 25, 2003 and the Company's Notification dated June 5, 2003, to include an additional brand name. The brand name was accepted, however, several deficiencies were found and had to be corrected.

If you have any questions concerning this letter, please contact Martha Terry at (703) 308-6217.

Sincerely

Marshall Swindell  
Product Manager (33)  
Regulatory Management Branch 1  
Antimicrobials Division (7510C)

CONCURRENCES

SYMBOL	SURNAME	DATE						

Rain Forest Blue (RFB) is used to control bacteria & algae in potable water supplies including hot tubs, spas & swimming pools.

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Start with a clean spa & filter. Balance the Total Alkalinity & pH as necessary, and apply 3 teaspoons RFB per 250 gallons spa water to yield 0.8-0.8 ppm copper. Do not overdose. Test & adjust for balanced water & copper content with RFB 3-way test strips. Test weekly & adjust as needed to maintain balanced levels of Total Alkalinity, pH & copper. Adjust water hardness with Hardness Increaser & Hardness Test Strips as needed. Shock spa water weekly with non-chlorine (MPS) shock per shock label directions. Drain and refill spa every 3-4 months.

Precautionary Statement: Hazardous to Humans and Domestic Animals.

Danger: Corrosive: Causes irreversible eye damage. Do not get in eyes or on clothing. Wear goggles, face shield, or safety glasses. Harmful if swallowed, inhaled or absorbed through skin. May cause allergic skin response. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing & wash before reuse.

Statement of Practical Treatment: In case of eye contact, flush with plenty of water for at least 15 minutes and CALL A PHYSICIAN. If accidental ingestion occurs drink large amounts of milk, egg whites or gelatin solution, or if these are not available drink large quantities of water. Avoid alcohol. Call a physician or Poison Control Center.

Storage and Disposal: Application, handling or storage equipment MUST consist of either fiber, fiberglass, PVC's polypropylene, vinyl, most plastics or stainless steel. Never use mild steel, nylon, brass, aluminum or copper around full strength RFB. Always rinse equipment free & clean of RFB with plenty of fresh clean water. Always store RFB above 32 degrees F.

Pesticide Disposal: Excess RFB should be disposed of through use. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not re-use empty containers. Dispose empty containers in a sanitary landfill or by incineration. Stay out of smoke.

**Limited Warranty and Limitation of Remedies:**

Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label for use under normal conditions, but makes no other warranties or FITNESS OF MERCHANTABILITY expressed or implied, or any other warranty if the product is used contrary to the label instructions, or under normal conditions not foreseeable to the seller. In no case shall the seller be liable for more than the cost of this product to the buyer, and will in no event be liable for any consequent, special or indirect damage connected with the use or handling of this product. This product is offered and the buyer or user accepts it subject to the foregoing terms.
