H & I AGRITECH, INC. 95 BROWN ROAD, BOX 1030 ITHACA, NY 14850 - 1257 EPA REG. NO. 70870-1

EPA EST. NO.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing Wash thoroughly with soap and water after handling.

FIRST AID

- If swallowed: Call poison control center or doctor immediately for treatment advice.
 - Have person drink several glasses of water.
 - Do not induce vomiting.
 - Do not give anything by mouth to an unconscious person.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have a product label or container with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858 7378 between the hours of 6:30 a.m. to 4:30 p.m. Pacific time, seven days a week for emergency medical information.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partially Filled: Call your local solid waste agency or (800) 858-7378 (National Pesticice Information Center) for disposal instructions. Never place unused product down any indoor or outdoor drain.

GENERAL INFORMATION

Agricure [GreenCure] is a broad spectrum, contact foliar fungicide that controls a variety of diseases on terrestrial and indoor woody and herbaceous ornamental, greenhouse and garden plants and turf.

. Agricure [GreenCure] is applied with spray equipment using a sufficient volume of water to insure

Complete coverage of all stems and foliage.

IMPORTANT: Read the entire label before using Agricure [GreenCure].

MIXING INSTRUCTIONS

Dilute Agricure [GreenCure] with water before applying. Carefully measure and mix the stated amounts of product and water.

Mix 1 to 2 level tablespoons of Agricure [GreenCure] per gallon of water. Do not exceed this use rate. Mix the solution thoroughly before use. One gallon of this solution is sufficient to treat approximately 450 square feet. Apply the solution to all exposed surfaces of the plant. Use a sufficient spray volume to obtain complete coverage of all foliage and stems. Uniform and complete coverage is essential for the most effective results.

DO NOT STORE UNUSED SPRAY SOLUTIONS

Spray adjuvants are not required. Some tank mixes with other pesticide products and fertilizers may produce spray mixes that are incompatible. A "jar test" is recommended for unfamiliar tank mixes. As with any pesticide, the addition of spray adjuvants and other pesticides to the spray tank may cause phytotoxicity to the foliage and/or fruit of susceptible crops and plants.

APPLICATION TIMING

Start application at first sign of disease. For best protection, repeat at one to two week intervals until conditions are no longer favorable for disease development. Shorten the interval during rainy weather or during periods of high relative humidity.

For appropriate crops, Agricure [GreenCure] may also be applied post-harvest to remaining foliage to decrease overwintering inoculum.

ORNAMENTAL APPLICATIONS: (California uses are listed in a separate section.)

PLANT TYPES

Agricure [GreenCure] is for: Woody and Ornamental Shade Trees, Woody and Herbaceous Ornamentals, Ornamental Nut and Fruit Trees, Annual and Perennial Flowers, Foliage Plants, Ground Covers and Bedding Plants.

NOTICE

Buyer assumes all responsibility for safety if use is not in accordance with label instructions.

IMPORTANT NOTICE: DISCLAIMER AND LIMITATION OF LIABILITY

This product has been researched to provide necessary data to support its use on the ornamental, greenhouse and agricultural plants listed on the label. However, it is understood that tests may not have been carried out on all varieties or cultivars and under all growing conditions on all plants listed on the label. Always follow the label directions. Exercise care when using this product on a given variety until familiar with the results under your growing conditions.

NO WARRANTY OR REPRESENTATION IS MADE, EXPRESS OR IMPLIED, CONCERNING THE RESULTS OBTAINED FROM THE USE OF THIS PRODUCT IF NOT USED IN ACCORDANCE WITH DIRECTIONS OR ESTABLISHED SAFE PRACTICE. To the extent allowable by state law the exclusive remedy of the user or Buyer, and the limit of liability of H & I Agritech, Inc. or any other Seller, for any and all losses, injuries or damages resulting from the use or handling of this product shall be the purchase price paid by the user or Buyer for the quantity of this product involved. The Buyer and all users are deemed to have accepted the terms of this Notice, which may be varied only by agreement in writing, signed by a duly authorized representative of H & I Agritech, Inc.
