70885-1

October 5, 2012

Term of Issuance:

Unconditional

Name of Pesticide Product:

CICLÓN BLEACH

NOTICE OF PESTICIDE:

x Registration

__ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Laser Products, Inc. c/o Adams Technology Systems 5145 Forest Run Trace, Suite B Alpharetta, GA 30022-4504

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration unmber:

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision Number: D-467415) is unconditionally registered in accordance with FIFRA sec 3(c)(7)(a) provided that you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
 - 2. Make the labeling changes listed below before you release the product for shipment:

a.	Revise the EPA	Regi	stration Number to read,	"EPA Reg. No. 70885-1."

- b. Revise the location of the Signal Word "WARNING" so that it appears below the Child Hazard Warning statement "Keep Out of Reach of Children" on the front panel of the label, and with sufficient prominence relative to other front panel text and graphic material to assure that they will not be overlooked under customary conditions of purchase and use.
- c. The precautionary statements and first aid statements heading must be in the same large text so that it could easily be seen on the label.
- d. Within one (1) year from the date of this notice, you must submit OPPTS 830.6317 (Storage Stability) and OPPTS 830.6320 (Corrosion Characteristics) data when completed to support the registration of the subject product.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped label with comments is enclosed for your records. Submit one (1) copy of your final printed labeling prior to release of this product for shipment. Should you have any questions concerning this letter, please contact me by telephone at (703) 308-0410 during the hours of 8:00 am to 4:00 pm EST.

Sincerely,

Monisha Harris
